SAVIOURS

By ANGELA MORGAN

Yours is the daring skill to tread The waters of a world at war; Yours is the miracle to shed Where rocking seas of hatred are, Courage and comfort, like a star. You cry unto an earth dismayed, And God is thrilling in your tone: "Brothers, the ship is not alone; Be not afraid!"

Ye are the Christs of this black hour, The Great Physician come again, Within your sacred hands the power To heal the race of men. Ye hold the hurt world to your breast; Ye bind her bruised and broken soul; Ye sick, the maimed and the oppressed— Yours is the gift to make them whole. And where the stricken miles unroll Ye sound the resurrection morn; Above the bier where Justice lies, With visions of an age new born, Ye bid the dead arise!

O World, that walkest now in tears Where Truth again is crucified After the thousand, thousand years— See yet that Christ is not denied!

I. W. W. Organization Uses A Lingge Of Its Own.

CHICAGO, May 27.—(By United Press).—"Gang of wobblies" battle-shipped a fink, got chased out of the jungles by the cossacks and some cockroaches, and freighted on without breaking the haystake."

Which, being translated, is: "Several gentlemen belonging to the Industrial Workers of the World were compelled to use force on a 'scab,' and were chased out of their encampment near the railroad tracks by a squad of mounted police and some tradespeople of low degree. They immediately boarded a train in such manner that they could get hence without paying out for carfare any of the money they had earned by hard labor in the hay fields."

The translation, from the original notes of one of the I. W. W. writers, is made with the aid of a dictionary compiled by government agents who have been working on the trial of 112 I. W. W. members here.

In the bright lexicon of the I. W. W. sabotage is known as "cream for kitty," "feeding the kitty," "guerrilla warfare," "direct action," "kitty," "mew of the kitten," and "the wooden shoe."
