#### GO OVER THE TOP

SELF-IMPOSED RED CROSS QUOTA IS RAISED IN TEN MINUTES—SUM OF \$420 IS SUBSCRIBED.

HOT LAKE, May 24.—(Special).—At the regular monthly meeting of the Hot Lake Mutual Benefit Association, an organization composed of the Sanatorium employees exclusively, it was announced that Hot Lake had not been allotted any quota by, and for, the Red Cross drive now in progress.

It was therefore suggested that Hot Lake make its own quota.

In ten minutes the Sanatorium employees had gone "Over the Top" to the tune of \$420. The Mutual Society voted \$50 from its funds.

Dr. Phy and the Chinese chef, who is an American citizen, started the ball rolling with a quarter of a century apiece.

The chef's kitchen staff followed with ten dollars per man, and then the staff, nurses, clerical, office and every other department gave their offering to the "Greatest mother of the world" to help our greatest boys in the world when afflicted.

An average of \$6.36 per head at the Sanatorium is well worth recording, which is in addition to much hand-made Red Cross supplies and liberal donations to the former Red Cross drive.

Enough said, follow Hot Lake's example.

#### Fighting in Europe!

SELF-PRESERVATION as well as patriotism demands that our farmers shall plentifully feed our fighters.

When Germany proclaimed the seas closed to American merchant vessels and entered upon her program of wholesale ocean tonnage destruction, she was aiming a blow directly at the American farmer.

For lack of proper marketing and shipping facilities Australia today has three crops unsold and millions of tons of grain spoiled or destroyed either by weather or rodents.

Upon our success in this war depends not only life and liberty but livelihood.
