WAR WOUNDS UPSET HEALTH

It is agreed by medical authori-
ties that worry affects the digestive
organs. When the digestion is out
of order, it throws the whole phys-
ical being out of gear. B. B.
Hayward, Unadilla, Ga., writes:
"Foley Cathartic Tablets give me
quicker relief than anything I have
ever tried." They relieve bilious-
ness, bad breath, bloating, gas, indig-
estion and constipation. No griping
or nausea. Sold everywhere.

AFTER THREE YEARS.

Many men and women are sick
and don't know it. Some never
discover that they have kidney
trouble until they apply for life
insurance. The kidneys are work-
ing all the time, filtering poisonous
waste out of the blood stream, and
when they become weakened or de-
ranged, backache, pains in sides
and groins, so-called rheumatism,
languidness, swollen joints and
other symptoms develop. W. B.

Moss, Ogden, Ark., writes: "Foley
Kidney Pills relieved me of severe
kidney troubles of three years
standing." Sold everywhere.

Way to Test the World.

There is one way for every man to
determine for himself whether the
world is growing better or worse. All
he has to do is to ascertain whether
the number of people who agree with
him is increasing or diminishing.—
Houston Post.

A GREAT EMPEROR

Once admitted a "proof-reader" to his presence before a nobleman—the lat-
ter complained, and the Emperor replied: "I can make ten noblemen tomor-
row, but God alone can make a proof reader." Did you read our ad in
last evening's issue? Don't miss it—it was good.

TWO BITS

Two Bits isn't much money, but if properly invested will accomplish much.
It will buy a Thrift Stamp. The stamp will buy a bullet and the bullet,
with the assistance of one of our boys, will, in all probability, get a Hun.

BUY THE STAMPS EVERYWHERE.

Two bits will also buy more good meat at Stilwell's Market than at some
other places we know of.
