ARCADE

WONDERFUL EDUCATED PONY ON HIPP. BILL.

Peter Pan, the only educated Exmoor pony in the United States, is the star attraction on the Hippodrome Vadueville bill that appears at the Arcade tomorrow. Peter Pan is a most handsome pony and does numerous stunts that the average person will not think a horse is capable of doing.

Dave and Irene Lenard are a talented couple that have a comedy skit called "Lizzie of the Chorus." It is full of comedy songs, funny situations and a rapid fire line of comedy talk.

Stewart and Earl, a petite young couple are presenting a talking and singing number that fairly exudes comedy. Stewart and Earl and both youngsters and put all the fire of youth into their work, which accounts largely for their popularity.

Jane West presents a charming and beautiful offering which she calls "Springtime Frolics." She is a clever comedienne and her repertoire of songs are of the popular kind that one enjoys the most. She makes several changes of wardrobe in which she displays some very unique and pretty gowns.

The Keystone comedy on the bill is called "A Sanitarium Scandal" and promises to be a good one.

SHERRY'S

ALICE JOYCE

Alice Joyce, who is starred in "The Song of the Soul," the Vitagraph Blue Ribbon Feature, which will be the attraction in the Sherry Theatre today and tomorrow, is a most democratic person, considering her beauty and talent, which make her one of the most popular and sought after stars in photoplay. She does not own her own motor car because she believes walking is the best of exercises and she walks each morning from her home in Riverside Drive, New York City, to the subway and is a strap-hanger like other folks all the way to the Vitagraph studios in Brooklyn.

Her unassuming manners endear her to all her profession and she never is too busy to take active part in any social affair having to do with moving pictures. Smoke Funds, Liberty Loan drives and Red Cross benefits, all have been aided by her helping hand.

Miss Joyce is seen in one of her most appealing roles as Ann, in "The Song of the Soul," in which fascinating drama, she is the supposed wife of a gambler, and cast out on the world, penniless and with her baby, she fights her way back to a happiness she missed only through her own innocence. In the supporting cast of Vitagraph favorites are: Walter McGrath, Percy Standing, Bernard Stogel, Barney Randall, Edith Reeves, and Stephen Carr.

GOT GOOD RESULTS.

This honest, straight forward letter from a woman who has suffered should be heeded by all afflicted with backache, rheumatic pains, sore muscles, awful tired feeling and other symptoms of kidney and bladder trouble: "I have got such good results from Foley Kidney Pills that I can sleep much better and the pain in my back and sides is a good lot better. I am going to keep on taking them. Mrs. Chas. Gray, 270 6th St. Detroit, Mich." Sold everywhere.

"THE SPOTTED LILY" TODAY

Ella Hall, in the Bluebird photoplay, will be the heroine of a story of sacrifice at the Star Theatre today and tomorrow, when "The Spotted Lily" is presented. The plot opens in war-ridden France and ends in final happiness here in this "land of the free." Ella Hall plays a dual role. She is first seen as a man who sacrifices herself to militarism to save the other inmates of a besieged convent, and later appears as the child born of this great sacrifice. "Drink ye gladly from the cup of sacrifice, for though it first be bitter, the dregs are ever of the sweetest." On this quotation the story of "The Spotted Lily" is founded.

For Burning Eczema

Greasy salves and ointments should not be applied if good clear skin is wanted. From any druggist for 35c, or \$1.00 for extra large size, get a bottle of Zemo. When applied as directed it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive, penetrating, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying. The E. W. Rose Co., Cleveland, O.

JOKES ON THE WEATHER.

Montana Resident Takes Little Stock Of Some Of Them.

A resident of Montana, referring to the bum weather jokes which are prevalent in all sections, says: "So many jokes have been cracked and so many lies have been told about Montana weather that we wish to remind the residents of other states that the first day of last December was ushered in at Hingham with a gentle spring shower; that

there was a shower New Years; that only one week before thanksgiving the thermometer stood at 66 in the shade and boys were running around barefooted; that we gathered tomatoes and cucumbers on October 10, and that tractor outfits were playing night and day throughout the month of November and the fore part of December; also that we sometimes start spring plowing by the 1st of March and that we often have our spring seeding done by March 20."

A WANT AD will do it.

CHERRY'S FLORISTS

Help win the War. Plant your Garden now.

Mr. Grain Farmer:

Are you prepared to handle your grain in bulk? Do not wait until Spring and Summer when you are buried with work and worried with labor shortage, but build your granaries now.

You can buy the lumber and roofing paper for a first-class 1000 bushel portable granary for \$54.58 and it will last for years. Sacks for the same amount of grain will cost you \$125.00 and this would be a dead loss against this year's crop.

A granary of this size can be moved anywhere and can be filled directly from the threshing, doing away with high priced labor handling and sewing sacks.

The boys in the trenches need the sacks for sand bags for the protection of their very lives and perhaps your boy is among them.

Spend your money in your own valley by buying lumber manufactured at home. When you buy sacks part of the money goes to India.

BUILD YOUR GRANARIES NOW

Be prepared by building them before the farming season opens up. Be sure to get good lumber, well seasoned, as low grade lumber will give you trouble in a few seasons. Don't use green lumber.

Save money—keep what you spend at home—prevent loss and damage from exposure to weather—leave the sacks for our boys in the trenches; help win the war by building granaries now.

Portable granaries of this type are universally used in other sections. One trip with a good team will haul the material for one granary. For particulars as well as prices on Union County lumber for all farm purposes, see
