WAR WORRIES UPSET HEALTH

It is agreed by medical authorities that worry affects the digestive organs. When the digestion is out of order, it throws the whole physical being out of gear. B. B. Hayward, Unadilla, Ga., writes: "Foley Cathartic Tablets give me quicker relief than anything I have ever tried." They relieve biliousness, bad breath, bloating, gas, indigestion and constipation. No griping or nausea. Sold everywhere.

CHILD SAVES LIFE OF BABY BROTHER

LODGE DELEGATES HAVE RETURNED—LADY BREAKS HER ARM CRANKING CAR—SUMMERSVILLE STUDENTS PASS EIGHTH GRADE.

SUMMERSVILLE, May 27. (Special)—The I. O. O. F. and Rebekah delegates returned from the respective grand lodges last Saturday freighted with glowing accounts of the work done by the lodges and also of the growth and beauty of Seaside, where the representatives met this year.

Quite a number from here were at Riverside Park. La Grande to hear the splendid address delivered by Rev. Fees, pastor of the Methodist church, and also the launching of the boat in honor of those who have died in the service of their country, but could not be buried at home.

Rex Ott probably saved his baby brother's life and the home of the family by exercising unusual presence of mind. The baby's gown had caught fire from a burning card board box that had fallen out of the stove, and Rex coolly slipped the gown off and extinguished the fire, and threw what was left of the box into the stove. When his mother came in he said "Clyde came near being burnt up!"

Carol Glenn had the misfortune to break her arm while cranking their car.

The names of the successful 8th grade applicants are: Francis Ott and Raymond Monroe, from here; Mabel Hug and David Dailey, from Pumpkin Ridge (Dist. 44); Lois Royes, Fred Behrens, and Forrest Woods, of Dry Creek (Dist. 17.)

Memorial Services will begin at 2:30 p. m. at the cemetery. Both dinner and supper will be served in the Masonic Hall.

AFTER THREE YEARS.

Many men and women are sick and don't know it. Some never discover that they have kidney trouble until they apply for life insurance. The kidneys are working all the time, filtering poisonous waste out of the blood stream, and when they become weakened or deranged, backache, pains in sides and groins, so-called rheumatism, languidness, swollen joints and other symptoms develop. W. B. Moss, Ogdon, Ark., writes: "Foley Kidney Pills relieved me of severe kidney troubles of three years standing." Sold everywhere.

A Patriotic Breakfast

Aunt Jemima Flour Now Contains No Wheat.

It is made of Barley, Rice, Buckwheat and Corn, a fine rich blend, even more appetizing, if possible, than the old recipe, which called for wheat.

No measuring or mixing; no experimenting with a pinch of this and a bit of that—to make these cakes just right. Aunt Jemima Flour is complete.

So when you sit down tomorrow morning to a plate of these pancakes you can eat with a clear conscience, knowing though a luxury—your breakfast is a patriotic one.

A CHALLENGE

I would like to challenge the statement by the W. H. Bohnenkamp Company regarding the gasoline economy of the Chevrolet motor car. I am overly anxious to meet them any time or place in a public economy test and will post \$100.00 (one hundred dollars) with The Observer if they will do likewise and the loser of the contest pay his \$100.00 into The Red Cross Fund. Such a test would not only decide the economy of the two cars but would help whip the Kaiser.
