

### Write to your boy in France and ask for a list of Things He Needs

The indiscriminate mailing of packages to France is now prohibited. This official ruling became necessary because the mails were being clogged with things that were useless to the fighting boys. Write to your Soldier and have him send a list of things he actually needs. Our stock includes many articles which the soldier requires in his daily routine.

Shaving Supplies, Mirrors, Combs, Brushes, Tooth Brushes and Dentifrices, Tobacco, Pipes, Watches, Stationery, Fountain Pens, Etc.

Write to the boys regularly and keep them in good cheer. Camera Pictures of loved ones and home scenes should be enclosed in your letters.
