Pennsylvania Man Has No Trouble About His Enlistment.

LANCASTER, Pa., June 4.—"Either join the Marines or leave home." This was the ultimatum issued to Frank A. Landenberger, a silk weaver, of Marietta, Pa., by his patriotic wife.

When Landenberger appeared before Sergeant Jim Gander, of the local recruiting station recently, he was told that he would have to obtain his wife's consent before he could be accepted.

"Consent?" he asked laughing. "Why, she told me that any man who called himself a man would be fighting for his country, and that I would have to enlist in the Marines or leave home. Guess that's enough consent, isn't it?"

Landenberger was accepted immediately and his spartan wife was on hand at the depot to see that he successfully got on his way to help make the world "safe for democracy."

"Gets-It"—2 Drops—Then to the Dance!

"Goodnight to Corn Pains—Corn Peel Off With 'Gets-It'." "Say, girls, you can laugh at tight shoes, or damp, corn-pulling weather, big bumpy corns, calluses on the soles of your feet, corns between the toes, hard and soft corns.

"It's All Off With This Fine Corn Now—'Gets-It' is Magic." If you will just touch the corn or callus with a few drops of "Gets-It." What a blessed relief it gives to corn pain! You won't limp any more; you can enjoy the dance every minute. Then to see how that corn or callus will come right off complete, like a banana peel and without the least pain, is just wonderful. "Gets-It" is the biggest seller among corn removers in the world today, simply because it is so wonderfully simple and always works. Be sure you get "Gets-It." "Gets-It" is the guaranteed, money-back corn-remover, the only one that costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill.

Celebration to be Great.

J. G. Snodgrass, moving spirit in the Fourth of July celebration, reported everything working fine to the end that Union county will have the biggest patriotic demonstration in the history of the state. Ellis Kirtley, in charge of the parade, gave assurance that the parade would be one of beauty and of great size. Mr. Snodgrass offered a motion that the business people of the city be asked to close their stores on Thursday at eleven o'clock so all can attend the Union Stock Show. This was carried unanimously and Hugh McCall, of Cove, asked that this request be carried to all towns of the county in the form of a suggestion so that the entire county can attend the annual event at Union.

Holmes, fuel administrator for the State of Oregon, was read at the luncheon in which he asked that the week of June 3 to 8, as proclaimed by the governor, be observed by La Grande people in getting their fuel supply for next winter.
