Mr. Grain Farmer:

Are you prepared to handle your grain in bulk? Do not wait until Spring and Summer when you are buried with work and worried with labor shortage, but build your granaries now.

You can buy the lumber and roofing paper for a first-class 1000 bushel portable granary for \$54.58 and it will last for years. Sacks for the same amount of grain will cost you \$125.00 and this would be a good loss against this year's crop.

A granary of this size can be moved anywhere and can be filled directly from the threshing, doing away with high priced labor handling and sewing sacks.

The boys in the trenches need the sacks for sand bags for the protection of their very lives and perhaps your boy is among them.

Spend your money in your own valley by buying lumber manufactured at home. When you buy sacks part of the money goes to India.

BUILD YOUR GRANARIES NOW

Be prepared by building them before the farming season opens up. Be sure to get good lumber, well seasoned, as low grade lumber will give you trouble in a few seasons. Don't use green lumber.

Save money—keep what you spend at home—prevent loss and damage from exposure to weather—leave the sacks for our boys in the trenches; help win the war by building granaries now.

Portable granaries of this type are universally used in other sections. One trip with a good team will haul the material for one granary. For particulars as well as prices on Union County lumber for all farm purposes, see

SUMMERVILLE, June 6.—(Special)—The Woodward Toll Road is now open to travel.

Mr. and Mrs. Wayne Park spent Sunday with Mr. and Mrs. D. L. Sanderson.

Mrs. Will Youngblood and her daughter Bertha, of Boise Idaho, are here visiting with relatives and friends. They will go on to Astoria from here to join Mr. Youngblood who is employed in the shipyards at that place.

Mrs. Will Sion, of Island City, was down with her sister, Mrs. Youngblood.

Mrs. Roy Spencer and Miss Vera Hug, the former late of Joseph, and the latter, of Elgin, are visiting at the home of Mr. and Mrs. Jno. Neiderer.

Miss Iva Hug has been visiting with Miss Thelma Sion of Island City.

Lee Fine and family and Miss Mabel Hug returned last Tuesday from a trip by auto, to Echo, Pendleton, Walla Walla, and Prescott.

A number of Punkin Ridge men have been at work on the roads up there, and much credit is certainly due them for the splendid work done.

Charley Gorden motored to La Grande yesterday to register.

Some of the fall grain is beginning to head out. Rain is much needed, and would be very welcome.

The Robekabs of this place are getting busy for something special to take place here on the 15th inst.

Whooping Cough.

In this disease it is important that the cough be kept loose and expectation easy, which can be done by giving Chamberlain's Cough Remedy. Mrs. P. H. Martin, Peru, Ind., writes, "My two daughters had whooping cough, I gave them Chamberlain's Cough Remedy and it worked like a charm."
