Our Birthright!

—On July 4, 1776, a very human document, the Declaration of Independence, was signed and sealed. —It declared for life, liberty and the pursuit of happiness. —For 142 years it has endured as a priceless heritage from our forefathers. —Today the benefits which it bestows upon us and our children are in jeopardy. —Today we are united as one man to defend our birthright if needs be with the last drop of American blood and the last American dollar.
