We have been selling Nash Trucks to many firms who formerly used horses. The high price of horse feed and the increased efficiency of motor trucks make the men realize that there is a reason for the demand for motor trucks to displace horses. One Nash one-ton truck will, in out cases, replace six horses and better and faster work. A truck works 24 hours a day, while a

BUY YOUR SUPPLIES FROM A PRINTING OFFICE THAT PAYS ITS PRINTERS ABOVE THE UNION WAGE SCALE, AND IS A UNION SHOP.

—It is the oft repeated story, When People of Union County want Printing that is hard to execute, when they want a job of work done that requires skill, workmanship, careful planning and earnest application, they finally come to the Observer's Job Printing Department.

—This office does the work, but in all candor, that is the class of work upon which there is little profit, and frequently some loss, because of the intricate nature and time-absorbing features of such jobs.

—For instance, when a Telephone Directory is to print or a High School Annual, such as the Minir, which is just issued, are to be printed, the Observer Job Printing Department is the only office in the county equipped with machinery, type and printers to get out the work. Union county must have and maintain such a printing office, that can do the technical, high class work when it is wanted.

But--

The Harvest Season this year faces greater difficulties than ever before--we are referring, of course to the labor shortage.

Yet the Flag must be "planted" in the furrows! Uncle Sam needs help to meet the enormous demands the war has made upon his National resources. He needs our united efforts to send him "Over the Top" to victory.

Farmers and Patriots

It is the earnest wish of this Bank to show in every possible way, the real admiration we feel for the farmers of this community. Our appreciation of every man's effort leads us to make this suggestion: If we are able to save you a trip to town during the summer, we want you to phone or write us.

We will be glad to transact any small business, or to make purchases—such as a new pair to replace that bit of broken machinery, for instance. Perhaps you may want us to send a check or draft away, or if necessary, even write a letter of importance for you.

Just give us good, clear instructions and you will find us ready and willing to assist you. Of course, there is no charge for this service.

With best wishes, we are Cordially yours, T. J. SCROGGIN, Cashier.
