The Harvest Season this year faces greater difficulties than ever before—we are referring of course to the labor shortage.

Yet the Flag must be "planted" in the furrows! Uncle Sam needs help to meet the enormous demands the war has made upon his National resources. He needs our united efforts to send him "Over the Top" to victory.

Farmers and Patriots

It is the earnest wish of this Bank to show in every possible way, the real admiration we feel for the farmers of this community. Our appreciation of every man's effort leads us to make this suggestion: If we are able to save you a trip to town during the summer, we want you to phone or write us.

We will be glad to transact any small business, or to make purchases—such as a new part to replace that bit of broken machinery, for instance. Perhaps you may want us to send a check or draft away, or if necessary, even write a letter of importance for you. Just give us good, clear instructions and you will find us ready and willing to assist you. Of course, there is no charge for this service. With best wishes, we are Cordially yours, T. J. SCROGGIN, Cashier.
