ACQUIRING A PERFECT FIGURE

Most women who have perfect figures did not have them originally. They have acquired them. A woman gradually takes the shape of her corset so the corset produced by the most artistic designer is the right one to wear to secure a perfect figure.

MODART CORSETS Front Laced

are most symmetrically and artistically designed. They are comfortable, stylish and gradually mold the figure into those beautiful lines that every woman admires and desires.

Are You Prepared ?

Into practically every life comes a time of trouble. The man who goes down under misfortune is he who has spent as much, or more, than he earned, without thought of the morrow.

The man who comes safely through, is he who has built up a fund to meet unexpected demands.

IT HAS TO CHANGE. The old habit of letting subscriptions to a daily paper run must change, and henceforth the paper bill each month—which is very small—must be paid the same as water rent is paid, or telephone service or light service is paid.

When you figure up your water and light bill set down 65 cents for the daily paper and we will all be happy. Some have been in the habit of paying at the end of the year. These subscribers are 18 cents so far as being good financially is concerned, but we must ask that payment either be made in advance or each month as we cannot carry the account for a year.
