HOW CAN HE CLIMB THAT LADDER?
 Tied down by the out-of-town habit, how can he hope to attain the success due only to co-operation? Progress is the result of constant watchfulness and maintaining a loyal standard. No man ever was a success who did his work half heartedly. Neither can the community hope to prosper without loyal support of its citizens.
 By continual patronage of the out-of-town house, we are holding ourselves back. Let us break the shackles of the out-of-town habit, and put our foot firmly on the first rung of the ladder, and climb to progress and prosperity. TRADE AT HOME.
