LA GRANDE, OREGON

CITY OF QUEER CONTRASTS

Nome, Desolate in Winter, is Feverishly Lively During the Short Months of Summer.

Ships approaching the coast of Alaska watch eagerly for the first glimpse of a break in the low horizon line, and as the faint silhouette of a city is caught by the spy glass word goes round that Nome is in sight.

The gold seekers built Nome in the rush of 1898, and the gold seekers still add their quota to its population. They have made it a city of contrasts--of ostentatious wealth and hopeless desire.

From November to June it is frozen into a dull apathy from which it rouses to attend theaters, dances, and other social frivolities which make the winter tolerable.

When the sun begins to shine steadily and the fresh surf pounds on the beach, Nome awakes and the summer residents who have gone "outside" return.

MUSICIANS HAVE LONG LIFE

Reasons Why Those Who Furnish Us With Sweet Sounds Are Not Cut Off in Youth.

Investigations made recently by a well-known doctor lead him to conclude that musicians who play wind instruments are exceptionally long lived.

Cornet players are credited by him with an average life of 63.1 years. Clarinet players are next with 64.4, while the average oboe and bassoon player lives to be about sixty-three years old.

It is interesting to observe the number of seemingly aged men who are members of orchestras. The theater orchestra that does not number one or two men who have left their hair far behind with the years, are so gray that they appear well upon the century mark, is an exception.

Why Iron Chimney Stacks Corrode.

The cause of corrosion of galvanized iron extensions to chimneys is laid generally to condensation which forms inside the stack, and which in conjunction with the carbon which has been deposited in use, creates a galvanic action which soon destroys the zinc coating and finally eats through the iron or steel base.

I Saw in the Paper. "I have just learned of a new way to remove a scorch from linen," said the woman who studies the papers.

That's the Question. Mr. Oldboy--"Marry me and I could die happy." Miss Bright--"Yes, you could--but would you?"

Are You One Of Them? There are a great many people who would be very much benefited by taking Chamberlain's Tablets for a weak or disordered stomach.

THE LOCAL MARKET.

Table listing market prices for various goods like Sugar, Creamery Butter, Country Butter, Eggs, Flour, etc.

A beautiful lot of scissors of every kind, also manicure scissors, nail files and pocket knives, all of the very best and standard makes.

Capital and Credit

Working capital and banking credit are two essentials to business success. A growing bank account builds capital and creates confidence in its owner's ability.

Confidence is the basis for credit.

It is at all times the policy of this institution to cooperate to the fullest measure with its depositors.

We cordially invite Commercial accounts.

United States National Bank La Grande, Ore.
