IN THE ROAD.
What are you going to erase from our community this evil guard that stands in the road of our progress. A few people can not accomplish for what it takes the strength of the entire community to do. Are you going to sit tight and let the other fellow do it? The influence of the mail order house is great, because they have amassed great fortunes by giving the people a class of merchandise the local merchant could not handle and retain your trade.
We are asking for an effort on your part to eradicate this evil from our midst. Your co-operation in this movement will accrue to your own benefit. Let us clear the road, let us admit progress and prosperity into our midst, let us resolve to patronize the home merchant.
