LOCKED OUT.

You have, doubtless, met with a good many salesmen from the out-of-town houses, that you were unable to convince that you were not in the market for anything he has to offer. His persuasive arguments of quality and price, however, appeals to you and ultimately you capitulate. After you are convinced that your local merchant handles the same quality of goods at a cheaper price, you will but have to say to him, "We trade at Home." It has never failed to be a knockout blow. Make it your password among your friends and keep it always before you. TRADE AT HOME.
