**SUMMER COMPLAINT.** During the hot weather of the summer months some member of almost every family is likely to be troubled with an unnatural looseness of the bowels, and it is of the greatest importance that this be treated promptly, which can only be done when the medicine is kept on hand. Mrs. F. F. Scott, Scottsville, N.Y., states: "I first used Chamberlain's Colic and Diarrhoea Remedy as much as five years ago.

At that time I had a severe attack of summer complaint and was suffering intense pain. One dose relieved me. Other members of my family have since used it with like results."

KILL THAT SNAKE!

In every community the snake is to be found hiding in the brush, to sting his victim, unprepared. We must clean out our community of these reptiles, and the only way to do so is with cooperation. The mail order house, like the snake, is always hiding, hitting his victim with poisonous promises which keeps back the growth of our community. This habit is cultivated by them with their catalogue values, which rarely come up to expectations. We must kill the snake to make our community habitable, and the weapon is the sword of cooperation.

Old and True Expression.  
The origin of the expression: "In union there is strength," is not known, but the sentiment in various forms has been current a very long time. A Latin author of ancient time said: "By union the smallest states thrive, by discord the greatest are destroyed." The American author of "The Flag of Our Union," said: "United we stand; divided we fall."
