Experience the Best Teacher.

It is generally admitted that experience is the best teacher, but should we not make use of the experience of others as well as our own? The experience of a thousand persons is more to be depended upon than that of one individual. Many thousands of persons have used Chamberlain's Cough Remedy for coughs and colds with the best results, which shows it to be a thoroughly reliable preparation for those diseases. Try it. It is prompt and effectual and pleasant to take. Av.

LEAVING HOME.

This condition prevails in every community where cooperation is lacking. We have failed to interest industry into our midst by buying out of town. We did not have the inducements to offer to factories for their plants, and the result is that our boys have had to leave the environment of the home to look elsewhere for their livelihood. We have all regretted this incident of his leaving our next week's cartoon on this subject.
