Miss Lucia Haley returned yesterday evening from a short vacation trip through Portland, and various points in Washington. Miss Haley expresses herself as having been particularly impressed by Camp Lewis.

"It is an inspiration to one's patriotism to see the work being accomplished there," said Miss Haley. "I noticed in particular the remarkable difference between the physical condition of the new recruits and those who had finished their course of training." She further said: "I most heartily wish that the opportunity might be given to every person to inspect this training camp and see for themselves the splendid things it is accomplishing."

Places to Register

(Continued from Page 1.)

Big Creek: Lee A. Wilson. Antelope: G. F. Haller. North Powder: A. E. Lawler. Hilgard: J. W. Scott. Summerville: Wm. Choate. Perry: Fred Braden. Starkey: Wm. H. Briggs. Palmer Junction: Frank L. Baker.

Looking Glass: Ed. Bean. It will be noted that Looking Glass has been considered as a separate district. Mr. Warnick explains that this is done for efficiency and to expedite the process of registering for the men. Otherwise practically a day's absence from work would be required for the trip to any of the near places of registration. This, the County board believes, is unjustifiable in times of labor shortage as the present.

PAYMENTS ARE DUE.

Subscriptions in Red Cross Drive Now Payable. Subscriptions to the last Red Cross drive, which are now due, should be paid up within the next week or two. E. E. Kiddle, chairman for Union county in the last campaign, said, in speaking of the subscriptions:

"National Treasurer McAdoo is calling in subscriptions made to the Red Cross and those whose accounts are now due should pay them shortly. These subscriptions may be paid at the banks, to Mrs. E. Polack, treasurer, at the City Grocery and Bakery, to Mrs. Thomas Goodhue, or the Pattison Bros. grocery store. Some of the subscriptions made at the time of the drive are not due—this call refers to those which are due, only."

SAVE by Canning Perishable Fruits or Vegetables

Because of the enormous exportation of food supplies to maintain our fighting armies, it is imperative that every housewife can all the FRUITS and VEGETABLES possible. Greater armies than ever look to the United States for their food supply! PLAN FOR THE FUTURE. ALLOW NO PERISHABLE FOOD TO BE WASTED. The burden of saving fruits and vegetables must fall on the housewife, for only a small part can be taken care of in canning plants of the country.

Penalty of Good Nature.

The reason why some men never reach the top of the ladder is that they are always willing to stop to hold it steady for someone above.—Albany Journal.

Honeymoon and Vaudeville—Saturday and Sunday?

Men Feel Tired, Too. While much is said about tired women it must be remembered that men also pay the penalty of overwork. When the kidneys are weak, inactive or sluggish, when one feels tired out and miserable, lacks energy and am-

bition, Foley Kidney Pills are tonic and strengthening. Wm. H. Clark, Springfield, Ohio, writes: "I found no relief from kidney trouble until I discovered Foley Kidney Pills. Now I am in A 1 shape. They act quickly, and surely. Sold everywhere.—Adv.
