A Fight for Life

It has been fight or die for many of us in the past and the lucky people are those who have suffered, but who are now well because they heeded nature's warning signal in time to correct their trouble with that wonderful new discovery of Dr. Pierce's, called "Anuric." You should promptly heed these warnings, some of which are dizzy spells, headache, irregularity of the urine or the painful twinges of rheumatism, sciatica or lumbago. To delay may make possible the dangerous forms of kidney disease, such as Bright's disease, diabetes or stone in the bladder.

To overcome these distressing conditions take plenty of exercise in the open air, avoid a heavy meat diet, drink freely of water and at each meal, take Doctor Pierce's Anuric Tablets (double strength). You will find a short time, find that you are one of the first responders of Anuric, as are thousands of neighbors.

Mr. A. W. CUMBER says: "I suffered greatly with my back and kidneys. I called in doctors and they did me no good, but recommended an operation. I saw Anuric of kidneys and backache advertised so sent up to the drug store and got a package, and it cured me. This was one year ago. I was down in bed and had taken many different kinds of medicines but obtained no relief from them."

Mrs. ROSA MURRAY, of GETCHELL, WASH., says: "I was troubled with the backache for the last five years. I sent for a package of Dr. Pierce's Anuric Tablets, which cured me completely. I will recommend Anuric to all my friends who are troubled with backache."

Step into the drug store and ask for Anuric, or send Dr. V. M. Pierce, Buffalo, N. Y., for trial pkg. Anuric—many times more potent than lithia, eliminates uric acid as hot water melts sugar.

of the world's magic and only genuine corn-peeler "Gets-It." Then and then only, will you be sure that your corn will loosen from your toes so that you can peel it right off gloriously easy with your fingers. Take no chances of continued pain and soreness—why use greasy, irritating salves, plasters that shift and press into the "sick" spots and "diggers" that make corns bleed and also grow faster? Use painless, easy, always sure "Gets-It." There's only one like it in the world—that's "Gets-It." Millions have tried and O. K'd it for years. It never fails "Gets-It" the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. W. C. Lawrence & Co., Chicago, Ill.
