Experience the Best Teacher.
It is generally admitted that experience is the best teacher, but should we not make use of the experience of others as well as our own? The experience of a thousand persons is more to be depended upon than that of one individual. Many thousands of persons have used Chamberlain's Cough Remedy for coughs and colds with the best results, which shows it to be a thoroughly reliable preparation for those diseases. Try it. It is prompt and effectual and pleasant to take. Av.

Men! Buy Your Fall Shoes on the Basis of SERVICE

It isn't a question of how much you pay for a pair of shoes, whether the price is \$5, \$8, or \$10 a pair. It is a question of how long the pair of shoes will last.

If a pair of \$5 shoes lasts you, say, three months, and a pair of \$8 shoes lasts you six months, \$8 shoes are by far the best shoe value, not only because you get longer service, but because finer leather has been put into the shoe and you receive more comfort and more satisfaction all around.

The new shoes for Fall are in and our salesmen will take special care in helping you select the kind of shoe that will give longest service at a minimum of cost.

It is not our aim to have you pay a high price, but rather for you to get the greatest value for the amount of money spent.

PRICES \$3.98 to \$9.75.
