Crimean War.

The Crimean War occurred in 1853-55, between Russia on one side and the allied forces of Turkey, France and Great Britain on the other. It grew out of dominating and aggressive claims by Russia. The war took its name from that it was mainly waged in a Russian peninsula on the border of the Black sea, a strip of country called Krim or Crim by the Russians and Anglicized as Crimea, pronounced Crim-e-a, with the I short as in criminal and accent on the second syllable.

CLOTHING FOR THE BELGIANS

RED CROSS WILL TAKE CONTRIBUTIONS SEPT. 23-30.

Local Chapter And Branches Are To Supply A Quota Of Five Tons.

A drive for clothing for the Belgian people is to be conducted from September 23 to 30 and this movement is entrusted to the American Red Cross. The La Grande chapter and branches are expected to furnish five tons. The particulars are set forth in the following:

Every kind of garment, for all ages and both sexes, is urgently needed. In addition, piece goods—light, warm cotton flannel and other kinds of cloth—from which to make garments for new born babies, tickles, sheeting and blankets, woolen goods of any kind—and shoes of every size are asked for. Scrap leather is needed for repairing footwear.

Since the clothes will be subjected to the hardest kind of wear, only garments made of strong and durable materials should be sent. It is useless to offer to any afflicted population garments of flimsy material or gaudy coloring. Make the gifts practical.

Garments need not be in perfect condition. A hundred thousand destitute women in the occupied regions are eager to earn a small livelihood by repairing gift clothing and making new garments adapted to needs with which they are familiar.

To Skin Beets.
An easy way to skin a beet without bleeding it and causing it to lose color is to put it in cold water as soon as it is cooked. Then draw the hand gently down the beet and the skin will drop without trouble.

A WANT AD will do it.

Headquarters for PLUSH COATS

Are here at this store, where the assortment is forever bright and new. Merchandising—foresight, we insist, is the big factor today in ready-to-wear retailing.

The prices of our Plushes prove that.

There is no plush being made today in the great mills of the land—it is government work they are doing now.

But we have the Plush Coats here.

Having placed ample orders for them long ago, when prices were down, we now offer them to you at only a reasonable profit on the prices of long ago.

Thus you reap the benefit, and we are able to furnish plush and velvet coats, not only reasonable in price, but of the best quality the market affords, and in styles more varied than ever.

OTHER COATS, TOO, ARRIVING DAILY.

AMERICA WOULDN'T FIGHT—WE WERE UNPREPARED—UNABLE TO LAND AN ARMY IN EUROPE—EQUALLY UNABLE TO MAINTAIN IT THERE—ALTOGETHER UNWILLING TO FINANCE A GREAT WAR.

We Have Answered:

ACQUIRING A PERFECT FIGURE

Most women who have perfect figures did not have them originally. They have acquired them. A woman gradually takes the shape of her corset so the corset produced by the most artistic designer is the right one to wear to secure a perfect figure.

MODART CORSETS Front Laced

are most symmetrically and artistically designed. They are comfortable, stylish and gradually mold the figure into those beautiful lines that every woman admires and desires.
