"A SOLDIER'S OATH"

Famous Play laid in France Where Yanks Are Fighting Boche.

American boys today are fighting over the very hills and fields where Pierre Duval, hero of "A Soldier's Oath," fought with the French troops when Germany's hordes swept over France.

Setcheprey, the Chemin des Femmes, Amiens, Toul, Luneville—all these are names that will live forever in the annals of American bravery, for it was at these places that Pershing's men met the Hun and showed him the mettle of freemen.

So with Pierre Duval, whose bravery in action won him the admiration of his comrades and the respect of his officers.

"A Soldier's Oath," which was chosen by exhibitors of the country as one of the six greatest plays produced by William Fox, has been revised, re-titled and strengthened, until today, it stands at the forefront of all photodramas which have come out of the war.

And, as played by William Farnum, the master of screen acting, Pierre Duval, the soldier of France, who was sent to prison for another's crime, ranks next to that other great Farnum character, Jean Valjean, as the epitome of the victor of man's inhumanity to man. The new 1918 version of "A Soldier's Oath" will be seen at the

Coughed Fifteen Years.
Coughs that hang on and grow worse in the night and weaken the sufferer are relieved by Foley's Honey and Tar oftener than by any other remedy. R. C. Hall, Mahe, Va., writes: "For 15 years I was afflicted with a troublesome bronchial cough and irritation of the throat. Foley's Honey and Tar relieved me; after taking one bottle the cough ceased and has not returned." No medicine stands higher as a family remedy for colds for children and grown-ups. Sold everywhere. —Adv.

Sherry Theater today only. Also a Mutt and Jeff cartoon.

Man Loses Hope.
"For 10 years I suffered severely from stomach trouble. The doctors

said I had cancer of the stomach and nothing would do but an operation. I took my last round of Mayr's Wonderful Remedy 2 1/2 years ago. Since then I sleep well, eat what I want and feel fine." It is a simple, harmless preparation that removes the catarrhal mu-

cus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale by Druggists everywhere. —Adv.
