

From the Ancient Greeks.
"To throw dust in one's eyes" is a saying derived from the ancient Greeks. Epaminondas, wishing to surprise the Lacedaemonians, is said to have caused 1,000 cavalrymen to advance in front, kicking up a great dust which the wind blew into the faces of the enemy, thus blinding them to a flank movement he was executing with a view to taking the coveted heights in the rear.

Famous Blarney Castle.
The ruins of old Blarney Castle are a few miles outside of Cork, surrounded by pleasant Irish fields and gorgeous hawthorn hedges. The huge square tower stands as firm and true now as in the days when old Cormac McCarthy ruled over the land of Munster. The old chieftain built his castle to withstand English guns and English diplomacy and Blarney castle has kept the trust.

World's Coal Areas.
A good authority gives the coal area of the world in square miles as follows: United States, 192,000; British America, 18,000; Great Britain, 12,000; Spain, 4,000; France, 2,000; Germany, 1,800; Belgium, 518; rest of Europe, 100,000; China, 2,000; Japan, 5,000. Coal is found in commercial quantities in 27 of the states and territories of the United States and Alaska.

A Morning Breeze.
The Jokesmith's Wife (2 a. m.)—"Aw, c'm on to bed, you! Want to sit up all night knocking the weather and us 'poor girls?' Well, what though the temperature was 100 degrees in the dark, the little remark caused a temporary coolness."

WHAT TO USE TO PREVENT APPENDICITIS

La Grande people should know simple buckthorn bark, glycerine, etc., as mixed in Adler-I-Ka, flushes the ENTIRE bowel tract so completely that appendicitis is prevented. ONE SPOONFUL ADLER-I-KA relieves ANY CASE sour stomach, gas or constipation because it removes ALL foul matter which clogged and poisoned your system. THE INSTANT action surprises both doctors and patients.—C. D. Putnam.

IMBLER IS TO BE INVADED

COMMUNITY CHORUS & OTHERS TO GO FROM LA GRANDE

Autos Will Be Furnished And Big Crowd Will Attend Gathering Tomorrow Evening.

A general exodus from La Grande to an invasion of Imbler, whichever way you care to look at it, is what is going to happen tomorrow evening. Imbler folks have arranged for a big patriotic meeting and the Community Chorus of La Grande has been invited to attend. In order for the members of the chorus who have no other means of conveyance to get to Imbler autos must be provided and those who have autos also have folks that want to go along, so it works out that La Grande will be practically close up and Imbler will be flooded tomorrow night. Those who have autos to join in the exodus are expected to assemble at the public library tomorrow evening at 6 o'clock and the procession will begin to move shortly after that time headed straight for Imbler.

Take Out Dreadful Soreness.

When the kidneys are weakened or overworked so that they fail to filter and throw all impurities out of the blood, the poison remains in the system, and backache, soreness, lameness, and rheumatic pains are likely to develop. Mrs. David Henry, 65 S. Lincoln Ave., Washington, N. J., writes: "Foley Kidney Pills are doing me much good, both my kidneys and the rheumatism. They took all the dreadful soreness out of my limbs." Sold everywhere.

Does Cheap Service Pay?

THIS is a question people often ask themselves after having had an experience where price is the chief consideration. Especially where a man's knowledge, honesty, and skill make up the personal "service," such as in dentistry. It is always well to know in advance about what the desired service is to cost, and then decide which you want. No one should take chances with their health or their teeth. Artificial substitutes for natural teeth, while often necessary, are but makeshifts at best, and unless properly fitted, will never give comfort and satisfaction. Beware of arrangements which offer low-priced dentistry and a guarantee for one, five, ten, or fifteen years. Dental work of merit needs no guarantee. There is as much difference in the quality of dental work as there is in the products of any other pursuit. Skill is worth what it costs. So is health. So is comfort.

ACQUIRING A PERFECT FIGURE

Most women who have perfect figures did not have them originally. They have acquired them. A woman gradually takes the shape of her corset so the corset produced by the most artistic designer is the right one to wear to secure a perfect figure.

MODART CORSETS

are most symmetrically and artistically designed. They are comfortable, stylish and gradually mold the figure into those beautiful lines that every woman admires and desires.
