PLAYLE IMPORTS SOME NEW WHEAT

PAYS \$11.29 FOR ONE BUSHEL WHICH HE WILL USE FOR SEED HERE.

Charles Playle, one of the modern wheat ranchers of the valley has imported a new wheat. It is known as the "Jones" wheat and it comes from Indiana, where it makes from forty to sixty bushels to the acre. The single bushel which Mr. Playle has just received cost him \$11.29. He has great faith in it for this valley. In speaking of the new venture Mr. Playle said: "If Indiana can raise from forty to sixty bushels to the acre the Grande Ronde valley ought to make a wonderful record with it. Yes, I admit it was a little expensive, but I have always heard that good things come a little high."

HEAD SALESMAN SPENT HUNDREDS

BURTON SUFFERED TWENTY YEARS BEFORE FINDING THE RIGHT MEDICINE.

In speaking of the marvelous way in which Tanlac has relieved him of a long-standing case of rheumatism, B. E. Burton, head salesman in the wholesale fruit and vegetable department at Lutey Pies Buttee, Mont., living at 652 South Montana Street, recently said:

"It is simply astonishing that just a few bottles of Tanlac should fix me up in almost no time. After I had spent almost every dollar I earned in the last twenty years trying to get relief from that awful rheumatism."

Before coming to Butte, Mr. Burton lived for ten years in Spokane Wash., where he was a salesman for the Imperial Trading Company of that city.

"I tell you what," he continued. "I have gone through all stages of rheumatism, and the agonies I have had to endure simply cannot be described. The trouble first came on me about twenty years ago. My shoulders, knees and ankles gave me the most worry and ached so at times that I hardly had any use for myself. About three years ago it got so bad that I was laid up in bed for six long months, and when I got up again I had to go about on crutches for three months, and till recently I never did get it out of my system, although I have spent hundreds of dollars in trying to get straightened out. I went to Hot Springs, Arkansas, but without result and then I tried the mud baths nearer home, but got no benefit from that treatment either. A little while ago I felt it coming on pretty bad again. My appetite left me, nothing tasted right, I was constipated and suffered from awful headaches every few days. The pain in my shoulders and knees was so agonizing that I could hardly sleep and I would wake up six or seven times during the night racked with pain. Why, at the time I started taking Tanlac I couldn't raise my arms as high as my shoulders to save my life and was unable to put on my coat without somebody helping me, and my knees were so stiff and hurt so bad I could hardly walk.

"After reading so much about Tanlac I decided to try it and I hadn't finished my first bottle before the stiffness began to leave my joints, and now I never suffer a bit of pain or inconvenience. My second bottle gave me a whacking big appetite, that constipation is relieved, and I never have a headache. I sleep like a log all night, and am lucky if I wake up in time for breakfast before going to work. I certainly am glad to endorse Tanlac and only hope my experience with this wonderful medicine will help someone else who may be going through what I did.

Tanlac is sold by the Silverthorn Family Drug Store and La Grande Pharmacy.—Adv.

ON THE DEFENSE.

Let us bring down this destroyer of home progress. The danger seen here, is the catalogues dropped into our midst, containing propaganda having for its object the diverting of community dollars to foreign fields.

It is the duty of every loyal citizen to defend his community. This intruder, as depicted by the artist, would destroy our civic centers, and introduce an evil, calculated to disturb local prosperity, and retard community advancement. Do not be carried away by the arguments advanced by the out-side concerns, but serve your own interests best, by TRADING AT HOME.
