Disposing of Jean.

Enoch, of the age of seven, was discussing with his grandfather the exciting details of an imaginary trip of adventure, including all hazards of land and sea and air. They had just summarily dispatched a lion which might spring upon them unawares from the jungle, when grandfather suddenly asked: "Enoch, what about Jean?" (his little playmate). "You can't take her on such a dangerous journey."

"Oh," said Enoch, complacently, "Jean 'd kiss her and leave her at home."

Sour Stomach.

Eat slowly, masticate your food thoroughly, abstain from meat for a few days and in most cases the sour stomach will disappear. If it does not, take one of Chamberlain's Tablets immediately after supper. Red meats are most likely to cause sour stomach and you may find it best to cut them out.

ACQUIRING A PERFECT FIGURE

Most women who have perfect figures did not have them originally. They have acquired them. A woman gradually takes the shape of her corset so the corset produced by the most artistic designer is the right one to wear to secure a perfect figure.

MODART CORSETS

Front Laced

are most symmetrically and artistically designed. They are comfortable, stylish and gradually mold the figure into those beautiful lines that every woman admires and desires.
