PETITION IS FILED FOR MR. PALMER

PRESENT COMMISSIONER FINALLY CONSENTS TO RUN AGAIN.

Although busy to the extent that it would be a relief to cease all public activities, Vincent Palmer, present city commissioner, has finally given his supporters an affirmative reply to their repeated requests that he run for city commissioner again. Mr. Palmer has served the city during a great deal of its period of construction and is well acquainted with the needs of the municipality. His petition was filed this morning and contained the names of the business people as well as many of the property-owners, who are not actively engaged in business.

TRACTORS BEING SOLD

Chandler Places Some Of Case Machines In Valley.

J. A. Chandler asserts that tractor business is good and he is quite right for he is placing machines rapidly in the valley. In the last few days he sold Ed Reynolds a Case 12-25, William Webster a Case 20-40 and Wilbur Zurbrick a Case 12-25. At the last demonstration on the Zack Chandler place Mr. Chandler and Mr. Norris exhibited their tractors to a good-sized crowd of ranchers and gave out information regarding the merits of the machines. Mr. Norris also reports deep interest in the machines by the Grande Ronde valley farmers.

FOR HOME LETTERS.

Between the seven welfare agencies doing work for the soldiers at home and overseas more than 125,000,000 sheets of stationery are supplied every month for the men to write letters home. This means that half a million dollars is kept tied up in postage stamps to meet the calls of the soldiers.

BUYS FINE CAR.

W. B. Gaulke, banker at Joseph, passed through La Grande Saturday on his way home from Baker in his Marmon car which he purchased in that city.

NO CIVIC PRIDE.

Here before us stands the man that has on his shoulders the responsibility of our weakness. He makes his living in our Community—sends his children to our schools—goes to our churches—uses our roads—and is the first man always to always criticize our town.

He doesn't consider the fact that it is HE that is taking opportunity of prosperity from us—he doesn't think that he owes us allegiance to make our community strong. The money he sends out of town is weakening us, whereas if spent at home, would add strength.

Are you for him or against him? Are you helping, or are you blocking the road for our prosperity? It is your Duty to make this community strong. Buy at Home.

In Time of Peace

the prudent man creates a financial reserve for the power and prestige it affords.

In this time of war there is an added necessity for the accumulation of a substantial bank account:

—to meet the increased cost of living.

—to answer the necessities of the government.

Master your dollars into war-time service. Train them in a Savings Account in this Institution.
