# An Important Message Regarding the Sugar Shortage

THERE'S an old saying "It's an ill wind that blows no good!"

Everyone has been inconvenienced more or less by the sugar shortage. Many people still rely entirely on sugar for sweetening and, of course, are inconvenienced.

But thousands of housewives have not only found "a way out" during the present shortage, but have learned a thing or two that will stick forever—sugar or no sugar.

Here's a fact: Sugar only sweetens—it gives absolutely no flavor.

Brer Rabbit real New Orleans Molasses not only sweetens like sugar, but it gives

a rich, delicious flavor to all cooking and baking.

Yet Brer Rabbit is not a "substitute" for sugar. It is practically sugar itself. Like sugar it is made from sugar cane and contains a large amount of real sugar.

Is it not quite natural that resourceful housewives have turned to Brer Rabbit Molasses during the sugar shortage?

### For the Children

Youngsters naturally crave molasses. Years ago sliced bread and molasses were part of the daily diet of children.

Gold Label Brer Rabbit Molasses gives to the child the elements the young growing body needs. Brer Rabbit is absolutely pure, wholesome, palatable and strengthening. Doctors will tell you what molasses and bread means to children.

Besides, it saves sugar, cuts the butter bill.

### There are Two Kinds of Brer Rabbit Molasses

Both are Absolutely Pure New Orleans Molasses.

GOLD LABEL Brer Rabbit is mild in flavor, light in color and is delicious for table use—as a spread for pancakes, waffles, biscuits, etc. It is especially fine for cooking, baking and candy making.

GREEN LABEL Brer Rabbit Molasses is darker in color, slightly stronger in flavor and is splendid for cooking, baking and candy making. It costs less than the Gold Label.
