A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.

LA GRANDE PEOPLE SHOULD EAT PIE DAILY.

Pie is wholesome, combining both fruit and grain. Those who have trouble digesting pie should take ONE SPOONFUL simple buckthorn bark, glycerine, etc., as mixed in Adler-Eka. This flushes the ENTIRE bowel tract, removes foul matter which poisoned your stomach for months and relieves ANY CASE sour stomach, gas or constipation and prevents appendicitis. Leaves stomach in condition to digest ANYTHING. C. D. Putman.

An Old Man's Stomach

As we grow older and less active, less and less food is required to meet the demands of our bodies. If too much is habitually taken, the stomach will rebel. When a man reaches the advanced age of 85 or 90, you will find that he is a light eater. Be as careful as you will, however, you will occasionally eat more than you should and will feel the need of Chamber-
