

"We'll Show the Boys Over There That We're Good Sports Over Here"

THE nearer Peace comes—the more People there are for these Welfare Agencies to look after.

With the strain of battle over—then will come a "letting down" upon the relaxing of military discipline. The time our boys will remain across the seas after the signing of peace—is indefinite. So, the recreational facilities and restraining influences of these seven great Mind and Body Building organizations will be more needed than ever.

Young Men's Christian Association
Young Women's Christian Association
Knights of Columbus
Jewish Welfare Board
American Library Association
Salvation Army
War Camp Community Service

The campaign for these seven war activities has been combined in ONE at the request of the President. This is not a special campaign, but one necessary to cover the current and coming needs of each organization.

Alaska's Great Bears.

The great brown bear of Alaska is the largest of all bears, and the largest flesh-eating animals in the world. So far as natural history is concerned, these bears have been known only since 1898. They reach a weight of 1,500 pounds, and unless attacked are inoffensive giants. Then they become terrific antagonists. They grow fat on salmon of the Alaskan rivers.

How a Salesman Suffered

R. J. Porter, Sterling, Col. writes: "For six months I suffered with a painful weak back. As a traveling salesman, I had to stoop frequently to pick up my grip, which I grew to dread as the pain when I straightened up was awful. Numerous remedies failed to reach my case. I was induced to try Foley Kidney Pills. Relief was immediate. Say, they are great! Any one afflicted as I was should try a bottle or two of Foley Kidney Pills." Good for pain in the back, rheumatic pains, aching joints, sore muscles. Sold everywhere.
