

## BAN GOES UP ON FRIDAY MORNING

EPIDEMIC IS NOW BELIEVED  
BY HEALTH OFFICER TO  
BE UNDER CONTROL

SITUATION WILL BE  
CLOSELY WATCHED

Schools to Resume Next Monday  
—Teachers' Meeting Called at  
the High School Building Satur-  
day—Co-operation With Health  
Department.

Dr. Richardson, health officer,  
announced this morning, "The ban  
will be raised on everything Fri-  
day morning."

This means that all of the res-  
trictions heretofore in effect to  
curb the spread of influenza will  
be removed. Commenting further  
on the situation, Dr. Richardson  
said:

"I believe that the epidemic is  
now under complete control, and  
the ban is to be removed on every-  
thing as it would be entirely in-  
advisable to make any distinctions.  
However, if it appears that further  
cases have developed, the same  
stringent rules and even more strict  
than was in effect will again be  
put in force."

### Schools Begin Monday

Superintendent Hampton announce-  
s that the public schools will re-  
open Monday. An important  
teachers' meeting is called for  
Saturday morning at 10 o'clock in  
room three in the high school  
building. This meeting is to con-  
fer in regard to the general school  
work, and particularly with refer-  
ence to a plan for co-operating as  
far as it is possible with the  
health officers. It is to be the  
plan for the teachers to watch  
each pupil carefully and any evi-  
dence of indisposition will result  
in the child being returned home  
immediately.

### All Places to Be Open

As the ban raising is to be  
general in this community, the  
churches, lodges, movies and all  
the other gatherings will be re-  
sumed as usual.

### DEATH AT NORTH POWDER

Mrs. Lulu Cassidy, Aged Thirty-  
five, Passes Away.

NORTH POWDER, Nov. 12.—  
(Special)—Died, at her home in  
this city, Nov. 9, Lulu Cassidy, age  
35 years.

Mrs. Cassidy was born on Clov-  
er Creek, where she grew to wom-  
anhood and was married to Lee  
Cassidy. She leaves a husband  
and daughter, Miss Hazel, besides  
a mother and father, Mr. and Mrs.  
Younes, a brother, John Younes,  
and a host of relatives and friends  
to mourn her death.

The remains were laid to rest  
in the cemetery here Monday af-  
ternoon. No funeral was held on  
account of contagious disease.

### NOTICE TO W. R. C.

All members of the W. R. C. are  
notified to be at the Bohnenkamp  
Chapel tomorrow afternoon at 3  
o'clock for the purpose of attending  
the funeral of the late W. F. Burnett.

## WAR CHEST PLAN IS POPULAR AND MEETING WITH SUCCESS

Another day the War Chest  
drive has proven the theory estab-  
lished yesterday that the plan is  
extremely popular. Workers are  
having splendid success and only  
now and then, so far less than  
half a dozen, and such cases will  
be death later.

Some cheering cases are report-  
ed. One widow lady who has a  
boy in service and works for her  
living hunted up her team captain  
and paid her share, advanced mon-  
ey for her daughter, and only re-  
gretted that she couldn't give more.  
Then in one North side district  
two husky men last night quibbled  
and fussed and finally turned down  
the request entirely saying they  
didn't like certain phases of the

## ORDERS HAVE BEEN CANCELLED

VOLUNTEERS WILL NOT TAKE  
DEPARTURE.

Col. Coolidge and Dr. Phy Among  
Those Who Were to Report  
For Duty.

In conjunction with the counter-  
manding orders which have been  
issued on all outstanding draft  
calls, a number of local volunteer  
orders, not yet in service, have  
been notified that the traveling  
orders have been cancelled.

Among these are Col. H. E. Cool-  
idge, who had received traveling  
orders to report for duty at Camp  
McArthur, Texas, and he was to  
have taken his departure Monday  
morning.

Dr. W. T. Phy, at Hot Lake, was  
also among the accepted volun-  
teers and was slated for the rank  
of captain and had been assign-  
ed to duty at the Letterman gen-  
eral hospital in San Francisco.  
Dr. Phy was also in the midst of  
preparations for the handling of  
the sanatorium when he received  
the notification that the order had  
been cancelled. The doctor had  
about completed arrangements for  
leaving for San Francisco tomor-  
row.

In many ways these sudden  
changes have been a disappoint-  
ment to those who had proffered  
their services toward the great  
end of helping to win the war.

### GARAGE MEN APPEAL

Want an Order for Oil Without  
Restrictions on Hours

SALEM, Nov. 12.—(Special)—  
The Hilton, Smith and Hamilton  
garages of La Grande and the Auto  
Electric and O. K. garages of Em-  
terprise, petitioned the public ser-  
vice commission today to compel  
the Standard Oil Company to sell  
gasoline for the retail trade with-  
out restriction as to hours. The  
petitioners object to being re-  
strained from making sales after  
5 o'clock, p. m.

It is announced that the com-  
mission has no jurisdiction in  
the matter.

### MUTINY REPORTED

Officers Were Killed in German  
Garrison Uprising.

LONDON, Nov. 13.—Neutral  
travelers arriving here reported  
that the German garrison at Bous-  
sels had mutinied. It was stated  
that some of the officers were kill-  
ed.

## CLASSIFYING IS TO CEASE

WORK OR FIGHT ORDER BE-  
COMES NON-OPERATIVE

But Those Who Fail to Obey  
Draft Boards Are Still  
Held Liable.

WASHINGTON, Nov. 13.—Draft  
boards were ordered yesterday to  
stop classifying men under 19 or  
over 36 years, and to withhold  
questionnaires for such registrants  
not already sent out.

It was officially announced at  
the provost marshal general's of-  
fice that registrants of 18 and  
from 37 to 46 years old who have  
received questionnaires need not  
fill them out.

Formal orders or announcements  
will be issued soon covering all  
such questions.

Cancellation of all draft calls  
and inductions Monday practically  
has nullified the famous "work or  
fight" order promulgated last sum-  
mer, although local boards have  
been ordered to discontinue classifying  
after physical examination  
men between 19 and 36. The work  
or fight order falls by reason of  
the fact that the only penalty at-  
tached was that of being placed in  
class 1. The stopping of the calls  
does not relieve any delinquent  
who has failed to obey draft board  
orders from the penalties which are  
attached under the law.

A single order from the general  
staff would suffice to start another  
stream of men flowing into the  
cantonnments and bring the work or  
fight and all other wartime require-  
ments back into force.

## WAS WELL KNOWN WAR VETERAN

WILLIAM F. BURNETT, DE-  
CEASED, LEAVES TWO SONS  
IN THE SERVICE.

William F. Burnett, whose death  
was announced yesterday evening,  
was 73 years of age. He has been  
in poor health for a long period  
and has been confined to his bed  
the past four weeks. He was a  
well known Grand Army veteran,  
serving in the Civil war from  
September 21, 1863 to August 21,  
1865.

He leaves a wife and seven chil-  
dren to mourn his loss. The chil-  
dren are: O. F. Burnett, of Em-  
terprise; Mrs. Seigel Coffman, of  
Medford Springs; John E. and Wil-  
liam Scott Burnett, of Tolocasset;  
Mrs. Thomas Bruce, of Olympia,  
Wash.; James M. Burnett, now at  
Camp Lewis; and Benson N. Burn-  
ett, of the U. S. Army hospital  
corps in France.

He also leaves two brothers, W.  
S. and Pres. Burnett, of Starkey,  
and three sisters.

The funeral will be held from  
the Bohnenkamp chapel Thursday  
afternoon at 3 o'clock.

## KAISER BILL REMAINS AN AUTOCRAT

ADOPTS TITLE OF COUNT HO-  
HENZOLLERN AND EXPECTS  
TO STAY IN HOLLAND

DEMAND IS MADE  
FOR HIS BANISHMENT

Ex-Ambassador Brands Former  
Ruler as Arch Murderer and  
Says He Ought to Be Hung—  
Many Rumors Regarding Crown  
Prince.

AMSTERDAM, Nov. 13.—The for-  
mer kaiser has taken the name of  
Count Hohenzollern. He will prob-  
ably buy a large estate and re-  
main in Holland indefinitely.

### Exile or Execution

LONDON, Nov. 13.—(By Ed.  
E. Koen, United Press Representa-  
tive)—Joint action of the powers  
will be necessary to send the for-  
mer kaiser to Elba or St. Helena,  
or to subject him to criminal pro-  
secution, it was pointed out by  
British officials today.

No anxiety is felt that Wilhelm  
will again interfere with world  
peace. He is regarded as impotent  
for further evil, considering the  
drastic armistice provisions. The  
internal situation in Germany, it  
is believed, will preclude any  
slight pro-kaiser sentiment that  
may linger there.

Count Wilhelm Hohenzollern, as  
he now calls himself, is helpless  
and hopeless as far as any Na-  
poleonic "return from Elba" is  
concerned. The former kaiser is  
wholly lacking in Bonaparte's gen-  
ius to sway the people.

British papers are demanding  
the seizure of Wilhelm's person  
and his commitment to exile.

### Gerard Says Hang Him

NEW YORK, Nov. 13.—Ex-tradi-  
tion for the kaiser and his trial in  
England on the charge of murder,  
for which he has been indicted there,  
was urged here by former Amba-  
sador Gerard.

Asking if a man should be al-  
lowed to escape who had killed  
enough people to form a line  
around the world, Mr. Gerard an-  
swered his own question:

"I should say not."  
A treaty exists between Holland  
and England, he said, by which  
they and extradite the ex-kaiser and  
try him before an English court.  
There is no doubt about what the  
verdict would be. The hangman  
would do away with the world's  
greatest murderer."

### Will Be Discussed

LONDON, Nov. 13.—The whole  
question of the former kaiser's  
possible extradition will probably be  
discussed in a conference which is  
likely to be held at Versailles be-  
fore the end of the year.

## RAILROAD MEN AND WAR FUNDS

SUPERINTENDENT BOLLINS EN-  
DORSES MOVEMENT.

Subscriptions and Payments May  
Be Made to Team Captains.

There seems to be misunder-  
standing among railroad employes  
as to how they are to be solicited  
for the War Chest and where pay-  
ments are to be made. Superin-  
tendent Bollins has been interview-  
ed and has endorsed the movement  
heartily and urges every employe  
to fulfill the duties of citizenship  
in this regard. Shortage of office  
help makes it impossible to handle  
the collections through the com-  
pany and the employes will make  
their payments and subscriptions to  
team captains and workers in the  
districts in which they live, and  
not at their place of employment.

Field assistants have been ap-  
pointed among the railroad em-  
ployes for the purpose of giving  
general information and assisting  
the city chairman in a general  
way.

### Endorsed by McAdoo

Mr. E. E. Kiddie, county cam-  
paign manager of the United War  
work, is in receipt of a circular  
from Wm. G. McAdoo, director  
general of railroads, which strongly  
endorses the war work campaign.  
The circular says in part:

"The workers of these organi-  
zations have gone to the front and  
shared the dangers and hardships  
of our soldiers and sailors. Through  
their tireless energy, thoughtfulness  
and devotion they have carried  
cheer and comfort and assistance  
to our men fighting in the trenches  
and on the high sea as well as to  
men in training camps here and  
abroad. The splendid work of  
these organizations has been offi-  
cially recognized by the American  
government and they are worthy  
of the support of every loyal Amer-  
ican. Every individual who can  
afford to do so ought to give aid  
by making the most liberal possi-  
ble contribution."

"The service that each of these  
great organizations renders is dis-  
tinct in that it has reference to  
the popular needs of those who dif-  
fer in their religious beliefs or  
preferences, but this is a distinc-  
tion without a difference, for all  
are imbued by a common desire to  
make the gospel of Faith, Hope  
and Love a reality of the men who  
are fighting for humanity. This  
unity of purpose is expressed in  
the unity of the appeal that is  
now being made to the people of  
the United States and I urge that  
every railroad employe shall re-  
spond to it generously and even  
to the point of forgiving the things  
that he can do without that, those  
who are away from home, and  
are suffering, may be cared for  
and comforted and feel that they  
are fighting or engaged in work  
of construction that must follow  
the war."

Germany Is Given Twenty-Four

ZURICH, Nov. 13.—Bucharest

giving the German army twenty-  
four hours to leave Rumania. The  
four hour ultimatum expired at 3  
o'clock Sunday morning.

## VIGILANCE IS STILL NEEDED

WORK OF PROTECTIVE LEAGUE  
NOT ENDED.

Circular Is Addressed to Local  
Heads to Continue the Work  
as Heretofore.

The local heads of the Ameri-  
can Protective League have re-  
ceived from headquarters the fol-  
lowing circular:

"I understand that among a few  
of the members of the American  
Protective League there has devel-  
oped a feeling that peace with  
Germany is practically in sight  
and that the need therefore for the  
services of the American Protective  
League is no longer felt.

"Nothing could be further from  
the true situation. The need for the  
American Protective League is as  
great now as it has been in the  
past and I am entirely satisfied  
that the need for this organiza-  
tion will continue for some time  
to come entirely without regard to  
the progress of the peace negotia-  
tions. The tremendous machines  
which have been organized by the  
government for the prosecution of  
this war cannot be stopped abruptly  
and must continue to operate for  
many months under any circum-  
stances.

"The necessity and importance  
for protecting from espionage the  
army and property of the United  
States will continue for some time  
to come and the need for the vig-  
orous enforcement of sections 12  
and 14 of the selective service act  
and for watchfulness for enemy  
propaganda and financial activity  
will probably increase.

"To achieve the greatest success,  
it is essential that every war ac-  
tivity be kept at its highest pitch  
at this time until the full fruits  
of the efforts of our armies and  
those of our Allies, are not only  
in sight but actually realized.

"The American Protective  
League has had a large share in  
the work in this country which  
has made possible the united sup-  
port and the success of our ar-  
rives abroad and I am sure that  
your organization will continue to  
play its full part until the De-  
partment is willing to say that it  
has no further need for its great-  
est endeavors"

### LATEST DRAFT ORDER

Papers to Be Returned But Need  
Not Be Filled OUT.

WASHINGTON, Nov. 13.—A new  
ruling promulgated by Provost Mar-  
shal Crowder today stipulated that  
all draftees who have received  
questionnaires shall return them to  
the local board but they need not  
be filled out.

## ARMISTICE TERMS MORE DRASTIC THAN AS ORIGINALLY ANNOUNCED

WASHINGTON, Nov. 13.—Ger-  
many loses her entire fleet of sub-  
marines under the armistice terms,  
as amended by Marshal Foch be-  
fore he signed them with the Ger-  
man envoys Monday morning. In-  
stead of 160 vessels, everyone one  
of the undersea pirate craft must  
be surrendered to the allies, and  
the United States within 14 days.

A reduction in the quantity of  
some of the military equipment to  
be delivered up is made, but in-  
stead of 50,000 railroad cars, 150,  
000 must be surrendered.

## POSTOFFICE BUSINESS IS INCREASED

RECEIPTS HAVE INCREASED  
FIVE THOUSAND DOLLARS  
OVER LAST YEAR.

STAMP SALES HAVE  
REACHED LARGE AMOUNT

Amount of War Saving Stamps and  
Thrift Stamps Exceed the Sum of  
\$200,000.00—Local Office Has Had  
the Busiest Year in Its History—  
Figures Are Supplied.

The postal receipts at the La  
Grande postoffice for the year ending  
September 30, 1918, amounted to \$51,  
325.09. This represents the sale of  
stamps for the entire county. The  
stamps at all the other offices in the  
county amounted to \$20,574.37, and the  
La Grande office sold \$30,753.72. This  
is about \$5,000.00 more than the sales  
for the same period of time the year  
previous.

During the eleven months ending  
October 31, 1918, there was sold  
45,008 War Saving Stamps, amounting  
to \$187,598.43, and 55,268 Thrift  
Stamps amounting to \$13,817.00, or a  
grand total of \$201,415.43. This  
amount, however, does not include the  
large amount of War Savings Stamps  
which banks and others have sent to  
Portland and elsewhere for, and which  
have been sold in Union county, in ad-  
dition to the above mentioned figures.

The La Grande postoffice has had  
the busiest year of its history, per-  
haps due to the natural increase of  
business and the additional work made  
necessary on account of the large  
volume of War Savings Stamps han-  
dled. Parcel post, insured registry  
and C. O. D. business has also experi-  
enced a large increase.

A very heavy holiday business is  
anticipated and it is suggested that  
everyone do his shopping and mailing  
early, thus aiding the postoffice de-  
partment in handling the mail in a  
safer and more expeditious manner.

### WILSON IS FAVORABLE

Food Supply to Germany if Condi-  
tions Are Satisfactory.

WASHINGTON, Nov. 13.—(United  
Press).—President Wilson is ready to  
consider "favorably" the supplying of  
Germany with food stuffs, if he is as-  
sured that order prevails and is main-  
tained. This reply was sent to Ger-  
many. The only other condition placed  
on the matter was that there be a  
guarantee of equitable distribution of  
the supplies sent.

### "VICTORY DAY"

Resolution to Make November  
Eleventh National Holiday.

WASHINGTON, Nov. 13.—A joint  
resolution declaring November  
Eleventh a national holiday and  
to be designated as "Victory Day" was  
introduced in the house of  
representatives today by Representa-  
tive Hicks.

A resolution making that date a  
holiday, commemorating the end  
of the war, was introduced in the  
French chamber of deputies, ac-  
cording to dispatches from Paris  
today.

### GERMAN SHIP TORPEDOED

ing ship was torpedoed by work-

## GERMANS DESERT LOOT IN FLIGHT FROM FRANCE

The Germans have been forced to abandon huge stores of loot in their hurried flight from France. Collected by organized looting parties, great quantities of supplies were foraged from occupied French towns. This French official photograph shows a huge collection of books taken from the public library of Montdidier. The books were piled behind the enemy lines to be taken away, but the French advance was so rapid that the plan was thwarted.

### More Time Granted

LONDON, Nov. 13.—A Paris  
wireless announced that the allied  
high command had informed the  
German high command that a sup-  
plementary twenty-four hours had  
been added to the time for the  
evacuation of Belgium, Luxem-  
bourg and Alsace-Lorraine.

### Germans Give Warning

LONDON, Nov. 13.—The German  
high command has warned the al-  
lies that mines placed in Ostend  
are timed to explode today.
