"SIGHT UNSEEN"

Here we have two neighbors, one who spends his money with the home merchant. He avails himself of the opportunity to examine, see, feel and try on the suit, needless to say he is satisfied before he is asked to pay for the merchandise.

The other was attracted by a pretty pattern and style pictured in the catalogue, but the merchandise, upon arrival, did not come up to the expectations, so he is compelled to go through the necessary red tape to get another "sight unseen" exchange.

Stop and think it over. The home merchant has a stock of merchandise right here in your home community; his investments in order to prove profitable to himself is contingent upon his delivery to you of satisfactory merchandise. Trade with your local merchant. He is always anxious to please you.
