FOR DEMOBILIZATION

General Orders Were Issued in Washington Wednesday.

General orders made public Wednesday by the war department cover in detail the process to be followed in demobilization of the troops. Careful provision is made for retaining a permanent record of the service performed not only by every organization of the army, but of each individual officer or man who composed it.

Particular attention is given to the final physical examination of men called up in the draft for limited military service because of physical disability in view of the possibility of future disability claims. To safeguard the soldier's interest, provision is made for a medical board of review if the findings of the examining surgeon are disputed in this connection.

OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs.

This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 200 years GOLD MEDAL Haarlem Oil has been relieving the weakness and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haarlem Oil is included in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill,

with a small swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haarlem Oil Capsules will keep you in health and vigor and prevent a return of the disease.

Do not wait until old age or disease have settled down for good. Go to your druggist and get a box of GOLD MEDAL Haarlem Oil Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand. In sealed packages.—Adv.
