BEST INVESTMENT I HAVE EVER MADE

Contractor Wouldn't Take Five Hundred Dollars For Good Tanlac Did Him.

"I just want to say right now that I wouldn't take five hundred dollars for the good that first bottle of Tanlac did me, for I feel like it has given me a new lease on life," said C. E. Nelson, a contracting carpenter living at 7723 63rd. Ave., Southeast, Portland, Ore., recently.

"Following a serious accident four months ago," he continued, "which laid me up for eight or nine weeks, I lost my appetite, and my stomach got all out of order. What little I did manage to eat would sour and form gas, which would cramp and pain me until I could hardly stand it. Then my kidneys went back on me, and my back hurt so bad I couldn't find a comfortable position. They said I had rheumatism or 'lumbago,' then my right leg, below the knee, got to hurting me, and at times I couldn't stand on my feet or get up when down. I was congested all the time and suffered a great deal with headache. Nobody knows how I really did suffer, because I just can't describe it, as nothing seemed to do me any good I had, become discouraged about my condition.

"I finally sent down and got a bottle of Tanlac, as I had read so much about it, and it was about the best investment I ever made. My appetite came bounding back after my first few doses, and by the time my second bottle was gone, my stomach trouble was almost gone, too. I am now eating any and everything I want and it don't

hurt me the least bit, and my kidneys and back are greatly improved. At the time I started on Tanlac I had to use crutches in order to get about, but I don't need them now at all, and have thrown them aside. I have gained several pounds in weight, and can just feel myself getting stronger every day. I have gone back to work already and I never lose an opportunity to speak a good word for Tanlac.

Tanlac is sold in La Grande by Silverthorn and Richardson; in Union by L. A. Wright; in North Powder by L. A. Russell, and in Elgin by Scott E. Harris.

SAMSON

YES IT IS ALL OVER; OVER THERE, ISN'T THAT GRAND?

Now this country will be called on more than ever for wheat, the poor starving souls must be fed. What are you doing toward filling this demand?

We sold two tractors today, but we still have one for you. Saw one of our Samsons Tuesday that had plowed nearly 700 acres of land and cut with a combine over 600 acres, besides harrowing, dising and drilling hundreds of acres, and had been out less than \$5.00 on repairs for the two season's run, not so bad, is it? They are as reliable as the best and moreso than the most. We have one for you, but will sell it to the other fellow if he beats you to it, so hurry.
