CAUSE AND EFFECT!

The picture tells the story and it really is not necessary to write a word to convey the artist's meaning.

Glance at the lower portion of this illustration and you have the CAUSE, then raise your eyes a trifle and you have the EFFECT. We decide the future of our town.

If we give our patronage to outside concerns then we build them up at the expense of our community and create a condition like the artist has depicted in the upper portion of the illustration.
