REBEKAH LODGE HOLDS ELECTION—THE ELEVATOR COMPANY SHIPS GRAIN—MRS. SCHLEUSER'S BROTHER KILLED IN ACTION.

Mrs. L. Minoghr of La Grande arrived last week and spent several days visiting her daughter, Mrs. J. H. Latham of Joseph. She returned on Monday's train.

Geo. Perish, formerly of Joseph, but now one of Canada's most prosperous farmers, arrived the middle of last week from Lethbridge to join his wife and baby who have been here for a few months visiting at the home of Mrs. Perish's mother, Mrs. George Holst.

At the regular election of the Joseph Rebekah Lodge, held in the Odd Fellows Hall last Tuesday night, the following officers were elected: Noble Grand, Mrs. Mattie Baker; Vice Grand, Mrs. Mary Engram; Secretary, Mrs. Grace Gibson; Treasurer, Mrs. Clara Blevins. Installation will be held about January 1st.

Geo. Holst returned last week from a business trip to Portland. The Joseph Farmer's Elevator Company are shipping grain every few days. This grain is sold to mills outside of Portland, thereby getting around the embargo very nicely, according to Manager Hurd, who is in Portland this week on Company business.

Miss Jean Holmes, who has been employed as bookkeeper in the First Bank has returned to her home at Enterprise.

Mr. and Mrs. A. E. Hewitt of Minam are here this week visiting relatives. They formerly lived in Joseph.

Mrs. E. T. Schleuser received notice last week that her brother, Peter Bue of the 158th Infantry had been killed in action.

Dawson Brothers Lumber Company shipped a car of lumber to Salt Lake City on Tuesday of this week. The Company's logging camp has just been put into operation and a big output may be expected throughout the coming winter.

A. L. Simmons returned Monday from a trip to Pendleton.

Mrs. C. Pilmator and daughter, Nora, left Sunday for Pomroy, Washington, where her daughter, Mrs. Henry Harlin is seriously ill.

HAD SEVERE SEIGE

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. The next time you have all symptoms.

SUNDAY SCHOOL VISITATIONS

(Continued From Page 1.)

of them are orphans. The relief agencies can do nothing unless North America furnishes the money.

The land where Christianity had its birth is asking for a practical demonstration of that Christianity now. All the denominations have united to answer this call from the East and a campaign has been launched to raise two million dollars from the Sunday Schools of North America. Every Sunday School is asked to give a Christmas season offering to Armenian and Syrian Relief work.

To make sure that no Sunday school is overlooked in this appeal, the International Sunday School Association is planning to have every Sunday School visited on December first for the purpose of explaining the need, creating enthusiasm and pledging the schools to make as large an offering as possible. The International Sunday School Association in this campaign is working in co-operation with the Armenian and Syrian Relief Committee in New York, and the two million which they are to raise is part of a larger campaign on the part of the committee for thirty million dollars.

The Armenian and Syrian Relief Committee have already done a wonderful work in ministering to these suffering people and have been enabled to save thousands of lives. The committee is directed by leading men of the continent and its work has been highly endorsed by President Wilson, and Sir Robert Borden, the Premier of Canada, and by Mr. Roosevelt and Mr. Taft. One feature of the work of the committee is unique. It is enabled to devote all money collected for relief work to the immediate cause for which it is given. Expenses for collection, printing, postage and administration and the transmitting of funds, are met privately. Distribution of all supplies is cared for by the American Consular forces and American missionaries, whose service are loaned for this ministry.

Thomson Says He Gained 34 Pounds

Suffered Fifteen Years With Rheumatism and Other Troubles.

Another remarkable statement to be added to the thousands already given, testifying to the undoubted benefits that have been derived from the use of Tanlac in long standing cases of rheumatic troubles, is that made the other day by Duncan Thomson, who is in the meat market business and lives at 431 1-2 Hawthorn Ave., Portland, Ore. In telling of his experience with Tanlac Mr. Thomson said:

"I feel it my duty to tell everybody how Tanlac restored my broken down health, for the only way I found out about this wonderful medicine was through others telling how it helped them."

"I suffered from a rheumatic condition of the system for fifteen years," continued Mr. Thomson, "and I kept getting worse all the time, my kidneys worried me too for the last two years and the misery in my back was so terrible I thought at times it would surely break it two. My legs and knees would draw up till my muscles felt like they were tied in knots and ached so bad I could hardly bear to have anything touch them. I was so badly constipated, that I had to take something for this condition every two or three days, and my troubles weighed on me so and pulled me down till they nearly put me out of business. I lost weight, and felt as tired and worn out all the time that it was all I could do to drag myself off to my work."

"Well, I tried everything I could hear of, but got no better, and had begun to think there was no help for me at all. I was in Snyder, Oklahoma, when I first heard about Tanlac. Everybody there was taking it, and the results they were getting were so remarkable that I bought some myself to try. Why, I personally know one lady who was down in bed with rheumatism for six months and her friends had given her up to die. She took
