BUILDING UP OUR WOMANHOOD

Given Up to Die by Her Friends, a Young Lady Recovers Her Health and Increases Weight—15 Pounds

A Powerful Nation Needs Strong Healthy Women.

A nation is no stronger than its women. Hence, it is the duty of every woman whether young, middle age, or in advanced life to preserve her health. If you are sick and suffering don't wait until tomorrow, but seek relief at once—today. Tomorrow your illness may take a chronic turn.

There is a remedy for almost every ill. Thousands have found Peruna to be that remedy as did Miss Clara Lohr of 21 N. Gold St., Grand Rapids, Michigan. She writes a friend: "I don't need Peruna any more. I am all well after taking six bottles. I weighed ninety pounds before I started and was poor and weakly. I had such a cough and spitting all the time that I never expected to recover. My friends gave me up. I could eat nothing. Now I can eat and weigh 125 pounds. I most thankfully recommend Peruna to my friends."

Miss Lohr's letter is an inspiration, a message of hope to suffering women. It tells you that you too may be strong and well and vigorous.

Peruna may be had in either liquid or tablet form. Ask your dealer. If you value health, do not accept a substitute. Dr. Hartman's World Famous Peruna. "Tonic" is what you want. The Peruna Company, Dept. 79, Columbus, Ohio, also publish Dr. Hartman's Health Book. The book is free. Write for it. Your dealer will give you a Peruna Almanac.

The Difference.

Flat feet is quite as bad in politics as flat foot is in military life. Not only that, but 80 per cent of the flat foot cases are curable.—Houston Post.

returned to Scandinavia on a mission; and he filled a second mission to that land in 1883. In May, 1881, he was appointed vice president of the Mantle temple, and in 1891 succeeded Daniel H. Wells as president there. At the organization of the general church board of education he became a member, and at the October conference, 1889, he was called to the high office of Apostle, to which he was ordained Oct. 7, 1889, by President George Q. Cannon. In 1893 he went to Liverpool to preside over the European mission, and returned in the summer of 1898. Since then he has continued his labors as an apostle until called to act as counselor to President Joseph F. Smith in the First Presidency of the Church.

Prest. Charles W. Penrose President Charles W. Penrose was born Feb. 4, 1832, at Cumberwell, London, England, and joined the Church in May 14, 1850. After ten years of most effective missionary work, he emigrated to America in 1861, crossing the plains by ox team. He settled first at Farmington, Davis county, and in 1864 moved to Cache valley. In 1865 he went on a mission to England, returning in 1868. He founded the "Ogden Junction" in the early seventies, and in 1889 he became editor-in-chief of the Desert News, a position which he filled many years, with signal ability. In 1884 he became one of the presidency of the Salt Lake Stake; performed a brief mission to the States in 1885, and went from there to England, where he did editorial work on the Millennial Star. He returned home to resume active work as editor of the Desert News. Subsequently he was sent to Washington where he spent two winters working in missionary fields, writing articles for the "Forum" and other magazines on the "Mormon" question. Later he was editor of the Salt Lake Herald and in the fall of 1885 he became a member of the staff of the Church Historian's office, January 1, 1899; he became again editor in chief of the News, a position which he has held until called to the presidency of the European mission. He has always been a steadfast worker, and now even at his advanced age, he is as active, alert and ready, as most men many years his junior. He was chosen second counselor to Prest. Joseph F. Smith Dec. 2, 1911, and now has been called to sustain the same relationship to Prest. Heber J. Grant.

The Difference. "A great difference between the human mouth and a city street," observed the facetious philosopher, "is that a street is closed for repairs, while a mouth is opened."

Daily Thought. I die content; I die for the liberty of my country.—De Lannes.

One Poor Use of Education. "Education is a blessing," said Ueela Khee, "but Joe' do same do men dat puts in his time signin' I. O. U.'s would be better off if he hadn't learnt to write."

THE WORLD MOVES ON

Printers thought the typesetting machine was not practical—

The horse breeder said the automobile would never be in general use—

The wire manufacturer said "wireless" was a dream—

Even congressmen said "heavier-than-air" flying machines were impossible—

The last to be disturbed by the wheels of progress is the single-record phonograph's manufacturer, who says the playing of all records on one machine "cannot be done."

"Cannot Be Done"

is now in the scrap heap, for—

The Brunswick

does it!

It attracts the eye— It pleases the ear— It plays all records at their best—

It is all phonographs in one.
