

Santa Claus Says: Give Practical Christmas Gifts

For many years there has been a tendency to give useful, practical gifts. The "Spurs" were active in encouraging the movement before the war. Now, there is an extra reason for giving useful Christmas gifts. We have been urged to practice economy, so as to conserve the resources of the country. In many ways this spirit of economy will extend to our gift-giving and Christmas celebrations. We have an interesting stock of sensible gift goods for your inspection. Beauty and utility combined are the features which recommend our goods.

For "HER"

If there is trouble in selecting a gift for a lady it is due to confusion caused by such an array of suitable items.

Perfumes, Atomizers, Ivory Goods, Leather Goods, Manicure Sets, Toilet Sets, Desk Sets, Stationery, Art Calendars, Candy, etc.

For "HIM"

Sentiment does not play as great a part in a man's life as it does in woman's. He wants something useful.

For BOYS

Let the boys come in and see our stock. They will probably express their wishes concerning gifts. Give him plenty and he'll be happy.

Pocket Knives, Flashlights, Watches, Purses, Games, Brushes, Fountain Pens.

For the SOLDIER

The soldier and sailor boy cannot carry very much in the way of equipment. So it is wise to send them useful things which they can use and enjoy every day.

ACQUIRING A PERFECT FIGURE

Most women who have perfect figures did not have them originally. They have acquired them. A woman gradually takes the shape of her corset and the corset produced by the most artistic designer is the right one to wear to secure a perfect figure.

MODART CORSETS

are most symmetrically and artistically designed. They are comfortable, stylish and gradually mold the figure into those beautiful lines that every woman admires and desires.

COMING LYCEUM COURSE

Zedeler Symphony Quintet Makes Classical Music Popular.

Lyceum audiences resent music for the purpose of demonstrating technical ability. They welcome the real throbbing vibrating music of the great composers when it is given that it may be understood.

That is what the Zedeler Symphony Quintet is doing—interpreting for popular audiences the greatest music of the old masters. Their programs are for all the people. They present violin, cello and piano solos, soprano solos by Emma Bruce Beck and orchestral music. The symphonic effects obtained by the Zedeler in their concerts are enhanced by a specially built reed organ which, when combined with the piano and stringed instruments, produces the reed and wind effects of a large orchestra.

The Zedeler Quintet will appear at the high school auditorium December 10th—the first number of the high school and Y. M. C. A. lyceum course.
