After taking Tanlac, Chief says He says this is "back of condition."

"I have picked up at least twenty pounds in the last thirty days by taking Tanlac, and now I'm just in the pink of condition all around." This statement was made by William M. Edwards, a well known employee of the Seattle Street Car company, living at 76 North 74th street, Seattle, recently.

"My stomach," he continued, "has been giving me all kinds of trouble for years. What I used to do was to do me harm instead of good. We it would sour on my stomach and cause me so much misery, I could hardly get my breath at times on account of the gas, which would press on my heart and cause it to palpitate fearfully. I was really constipated, my kidneys were in bad shape, and I was never free from pain in the middle of my back. I couldn't sleep at all, and would lay awake for hours every night before getting a wink of sleep. I also had rheumatism in my arms and legs, and my knees would get so stiff at times that I could hardly bend over."

"All my efforts to find relief failed until I began taking Tanlac, but this medicine has certainly put me in great shape. My appetite was never better, everything tastes good and my stomach is in such a good condition that I can eat anything. And since the gas has stopped forming, I'm free of heart palpitation, shortness of breath, or any other signs of indigestion. My kidneys don't bother me any more, all the pain has disappeared, and I sleep fine every night."

"My wife has been taking Tanlac for headache and a run-down condition and her first bottle has helped her so much that she told me to bring her another today. It certainly is great to do what it has for me and is the one medicine I don't hesitate to recommend."

Tanlac is sold in La Grande by Silborn and Richardson Drug stores; in Union by L. A. Wright; in North Powder by L. A. Russell and in Elgin by Scott E. Harris.—Adv.

**PEACE**

Not for ourselves alone, but for all peoples.

This is the peace that is promised the world in the signing of the armistice with Germany.

Peace: For all-sacrificing France, for resolute England, for ravaged Belgium, for plucky Italy, for bleeding Serbia, for confused Russia, for free America yes, and even for those who have been the dupes of militaristic despotism.

It is not strange that a song of thanks, giving continues to echo and resound around the globe.

**MADE AT HOME**

Why Go and Pay \$50.00 for a Ready Made Suit when We can Make you one from \$45.00 up

Ask Your Neighbor that Wears Custom Made Clothing

Made to your measure by expert workmen. We have six men. They live in La Grande and spend their money here. These suits are good for two to four years. The best you can get out of a ready made suit is one season. Which is the cheaper? As long as you have one of our suits and have it cleaned and pressed up you are dressed properly. Not so with a ready made garment. Two or three cleanings and the front of coat doubles up and looks like an old suit.
