SPIRIT OF HELPFULNESS

An extract from a letter received at the county school superintendent's office is as follows:

North Powder.
"Well, again the blue has won the game and we are on the reserved list until January 6, 1919. I am busy at the present time tramping from house to house to see that the people need nothing. Have carried food to the school, when my faithful assistants have cooked it, then delivered to the families that are in need. My dear wife and myself started it, then the teachers came to our aid, now others are helping. Several have offered to nurse, if I see they are needed, etc."
