Lord Reading, the British ambassador, said at a New York reception: "The war is doing away with snobishness. Snobishness is an incredible sort used to flourish in England, but I'm glad to say that it is melting away in the fires of our democratic war."

"They tell a story of English snobishness. A certain noble lady at a very smart dinner party worried because there were 13 at the table. But her host, a duke, bent toward her and said in a loud, hearty, reassuring voice:

"'Calm yourself, dear Lady Emily. Mr. Plume, the novelist, on your right, is not really one of us. He belongs to the lower middle class.'"

San Francisco Man Gained 24 Pounds

Fred Sanders Suffered Thirty Long Years—Spent Hundreds of Dollars.

"When I began taking Tanlac I only weighed one hundred and thirty-six pounds," said Fred W. Sanders, while in the Owl Drug store at 710 Market St., San Francisco, recently, "and I will tip the beam at one hundred and sixty which gives me an actual gain of twenty-four pounds in two months' time."

"Mr. Sanders is a boiler-maker by trade, which occupation he still has given up on account of ill health. He is now employed by the Glidden Varnish Company and lives at 702 Vallejo street. He has been a resident of San Francisco for forty years. In describing his trouble, which caused him so much suffering and loss of weight, Mr. Sanders said:

"I have suffered with my stomach thirty years or more. In fact, almost as far back as I can remember I have suffered from indigestion and constipation and these troubles have had me down and out many a time, especially during the past fifteen years. My stomach was so upset that nothing agreed with me and at times I couldn't even retain water on my stomach. I was bloated nearly all the time by the gas which formed after my meals and I simply suffered torture from the pains caused by it. I have tried about every diet a person could be put on. I could eat no fruits or meats and the very sight of eggs would upset my stomach. At one time I had a nervous breakdown, caused by these same troubles. I was laid up for six months at this time and spent over seven hundred dollars for treatment and medicines before I could get to work again. Since then I reckon I have spent twice that much more without getting more than a little passing relief. I finally had to give up my trade as boiler maker because the constant pounding and jar affected me so I was afraid of another breakdown. I got so I couldn't sleep at night and fell off until I weighed one hundred and thirty-six pounds."

"Seeing Tanlac advertised in the papers, and as it was a new one on me I decided to try it. Now, just let me tell you, it has done me more good than all the other medicines I have taken in the past ten years put together. And cat, why I have the best appetite I have had in years and my big gain in weight shows how well my food agrees with me. My food all seems to digest perfectly and I never feel an ache or a pain. I sleep like a log at night and get up in the mornings thoroughly rested and ready for a big day's work. Tanlac certainly is some medicine and you may just count on me as one of the biggest boosters on the coast. I only wish I could have had it thirty years ago. It would have saved me a world of misery and again I have been through all these years."

Stop Itching Eczema

Never mind how often you have tried and failed, you can stop itching eczema quickly by applying a little zemo (zemo bottle, \$1.00). Itching begins the moment zemo is applied. In a short time usually every trace of eczema, tetter, pimples, rash, blackheads and similar skin diseases will be removed. For clearing the skin and making it vigorously healthy, always use zemo, the renewing, antiseptic liquid. It is not greasy and it does not stain. When others fail it is the one dependable treatment for skin troubles of all kinds. The E. W. Ross Co., Cleveland, O.

ACQUIRING A PERFECT FIGURE

Most women who have perfect figures did not have them originally. They have acquired them. A woman gradually takes the shape of her corset so the corset produced by the most artistic designer is the right one to wear to secure a perfect figure.

MODART CORSETS Front Laced

are most symmetrically and artistically designed. They are comfortable, stylish and gradually mold the figure into those beautiful lines that every woman admires and desires.
