GIRL SKATER FALLS IN HOLE

TWO SKATING ACCIDENTS SUNDAY AT JOSEPH

"Skip" Sheets, Back from Europe Has Interesting War-Time Tales For His Friends.

The case of Rounels v. Leffel, which has been in the courts for some time, was decided recently in the supreme court in favor of Mr. Leffel. The case was over a real estate commission. Mr. Leffel was represented by Attorneys Eberhard and Schapp.

J. Sig Davis, former Joseph business man, but recently of Ashion, Idaho, has returned to Joseph and has purchased the Sweet Shop from George Boner. Mr. Davis also expects to operate the People's theatre when the flu has lifted.

Knights' band was the scene of two skating accidents last Sunday. Esther Eben fell and broke her right arm, just above the wrist. A few hours later Winifred Bell, who was also engaged in skating fell through a hole in the ice, and only through quick thinking of Wilbur Deutborne was she rescued.

Mrs. Robt. Day and son, of Enterprise, spent a few days visiting at the Herland home this week.

Several Colorado men were in Joseph last week looking for a location. They expect to return in the spring.

Mrs. L. E. Caviness has received word that the O. A. C. Extension school, which was to have been in Joseph recently, has been indefinitely postponed on account of the flu.

Mrs. A. V. Meadows, of Wallawa, visited relatives in Joseph last week, returning home Saturday.

Dr. and Mrs. G. G. Gordon of Baker City were visitors at the Rosadoin home last week.

Born, to Mr. and Mrs. Leo Barton, a son, at their home in Joseph, last Friday.

Two cars of sheep were shipped to Spokane by X. Michelled last week. O. E. Gosline shipped two cars of cattle and hogs on the same train to Portland.

Jan. Kennedy, a Joseph soldier boy stationed in California, is expected home soon.

Mrs. B. E. Eckley was called to Milton last week to attend the funeral of her sister-in-law.

Frank Council was here from La Grande to visit with relatives and friends this week.

On Wednesday morning the fire bell rang and several loads of men and boys went out to Bert Cole's residence, just south of town to put out a small fire. Little or no damage was done.

The cold weather is freezing many water pipes.

Mrs. Katherine Flisk and Laura Nell were out from the Innaha last week.

Joseph Simms, of Spokane, was in town last week attending to business here.

John (Skip) Sheets returned to Joseph Monday, after a year in the service of Uncle Sam. "Skip" enlisted in December of last year and after a few months of intensive training in various training camps here.

Stomach Trouble.
"Before I used Chamberlain's Tablets I doctored a great deal for stomach trouble and felt nervous and tired all the time. These tablets helped me from the first, and inside of a week's time I had improved in every way," writes Mrs. L. A. Drinkard, Jefferson City, Mo.—Adv.

Lalley-Light
Eight Years in Use

We do not have to ask you to take our word for a single thing about Lalley-Light.

Back of everything we tell you are eight years of everyday farm use and experience.

We do not know of another farm light and power plant that has a record anything like this.

To you it amounts to a guarantee—stronger than any guarantee of words that we or the makers could give you.

Lalley-Light offers you no new, untried electrical system, but the finished result of eight years' use on practical farms like yours.

Next time you come to town, make it a point to see this plant.

A demonstration will give you a real idea of what it is and does, and put you under no obligation whatever.

he left for England on March 7, 1918, arriving at his destination on the 14th. Just before landing a U-boat was sighted about 100 feet from his ship, but through the work of the destroyers it was sunk. When asked in what part of England he was in, "Skip" said it seemed that he had been all over the island. For about nine months he was kept busy in the shops, which kept whole squadrons of aeroplanes in the air. While there he was impressed most by the part the English women in the Women's Auxiliary army corps took in winning the war. The "Waaks," as they are called, worked shoulder to shoulder with the men. King George was a frequent visitor in the shops. On May 24, he saw an air raid in London and once was taken to France for a few hours. He returned to the states on the first boat to leave England after the armistice was signed, and arrived in New York harbor just as President Wilson's peace ship was leaving. The President waved at the boys as the two boats passed. John is uncertain as to what he will do now that Uncle Sam no longer needs him.

NOTICE TO THE PUBLIC
We have now resumed making our famous Blue Stem Patent flour, which has been off the market for some time, and it is now handled again by all dealers.
LA GRANDE MILLING CO.

Pancakes are an expensive breakfast if you use all these materials.

Make your pancakes the Aunt Jemima way. There's no mixing for you to do—and they cut out a few cents.

How to make delicious pancakes economically

DON'T make pancakes the old-fashioned way—it's too expensive. Make Aunt Jemima Pancakes and save the cost of milk and eggs!

With Aunt Jemima you add nothing but water—everything else is in the flour. That's why an Aunt Jemima breakfast for your whole family costs only a few cents.

Even the milk is in Aunt Jemima flour.

Knowing that sweet milk gives pancakes a more delicious flavor, the Aunt Jemima people have gone to a great deal of trouble to add it to the flour. Now the flour is absolutely complete! Think of all the extra expense you save—especially now that milk has gone up so!

And what a delicious flavor the milk gives these cakes! So rich—so delectably smooth and enticing! Your husband will say he could eat a dozen!

Give your family Aunt Jemima Pancakes tomorrow. See how speedily they will vote them their favorite breakfast! Then, for variety, get Aunt Jemima Buckwheat Flour—in the yellow package. Aunt Jemima Mills Company, St. Joseph, Missouri.
