Knights of Columbus Bring Joy to Boys While Battle is in Progress.

New York.—Showers of cigarettes fell from the skies on the American fighters driving the Germans out of the St. Mihiel salient.

At the same time, cable dispatches announce, Y. M. C. A. workers on foot moved among the soldiers, handing out chocolates and cigarettes.

The airplane service for distributing cigarettes to the soldiers, while the battle was in progress and the ordinary foot or motor methods of reaching the men in the front lines were unavailable, was established by Martin V. Merle of San Francisco, a K. of C. secretary, with the co-operation of an American airplane unit.

The Y. M. C. A. workers won new friends at St. Mihiel. One Red Triangle man, with a huge pack on his back, moved forward with a certain unit, distributing chocolates and cigarettes to each soldier.

COULD NOT READ, BUT HE'S THERE WITH RIFLE

Camp Sheridan, Montgomery, Ala.—A recruit to Captain Winston's company was ordered to shoot at a certain target, the number being given.

"I can't read, Cap'n," said the Tennesseean.

The target was shown him and when he had finished, his tally was 48 hits out of a possible 50.

The officers say that these mountaineers seldom go under 40 hits out of 50 shots.

What She Was Looking For.

One of the many excellent stories told by Lady Jepson in her "Notes of a Nomad" concerns her godfather. "He came often to our house," writes the authoress, "having an obvious admiration for the pretty young aunt who lived with us. One day he called as usual and I at once climbed on his knees and stared searchingly into his clear, brown eyes. 'What's the matter, child?' said he, 'and what are you looking at?' 'Mamma said to papa, 'goth I, 'that you had a wife in your eye and I'm looking to see if I can find her.'"

Timber in Burma. Burma grows over a hundred varieties of every sort of timber. Yet up to last year she exported her rubber in packing cases made of wood imported from Japan. It has now been found that they can be made locally at about half the cost.

"Eight years ago when we first moved to Mattson, I was a great sufferer from indigestion and constipation," writes Mrs. Robert Allison, Mattson, Ill. "I had frequent headaches and dizzy spells, and there was a feeling like a heavy weight pressing on my stomach and chest all the time. I felt miserable. Every morsel of food distressed me. I could not rest at night and felt tired and worn out all the time. One bottle of Chamberlain's Tablets cured me and I have since felt like a different person."—Adv.

PIG "SENQ"

One Windsor was a good old darky and wise as the proverbial serpent. A great favorite he was with the Marster, who loved of a night to slip down to One Windsor's cabin and talk with him as he sat before his best tapping tray at his trade of shoemaker. One night the Marster dropped in unexpectedly. Windsor was tapping away as usual, but he kept glancing away at a pot hanging on the crane in the big fireplace. The more the pot bubbled and sizzled, the more Windsor hunched, and the fanner grew the tales he told.

"Somebody's been making off my suckling pigs at a great rate," grumbled the Marster.

One Windsor tapped away sympathetically and changed the subjects to the weather.

By the by the water all boiled out of the pot, and there was a sad smell of scorching meat.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Out with Dr. Edwards' Olive Tablets

A pimply face will not accompany you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear away from under the skin and tablets a few nights. Cleanse the blood, the way to clear the face with Dr. Edwards' Olive Tablets, the successful substitute for calomel, does away with any sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cured with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil, you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.
