

### A Doctor's Gift to the World

A Remedy to Overcome Catarrh and Catarrhal Conditions was Dr. Hartman's Legacy to the World of Suffering.

The Doctor early recognized the insidious nature of catarrh and consecrated his life to checking the ravages of the worst of all health destroyers.

## PERUNA

The Greatest of All Catarrh Remedies

Catarrh first attacks the mucous lining in the nose, throat, lungs, stomach, bowels or any other part of the body. Unchecked it finally breaks down the tissues and chronic ailments develop which, if not fast, are always difficult to cure.

Caused your health with Peruna. Don't wait until the late. Peruna is excellent for coughs, colds, asthma and all catarrhal inflammation and congestion of the mucous lining. Many startling recoveries have been recorded.

#### TOOK IT FOR CHRONIC BRONCHITIS—HAD CATARRH IN WORST FORM

"I was troubled for four or five years. A few doses of Peruna would always bring relief. In the Spring of 1914, I began taking Peruna in earnest and used twelve bottles and have not had an attack in two years. I feel better and can do more work than in ten years. Peruna also cured me of chronic bronchitis and I recommend it as a splendid remedy."

## How Italy's Art Was Saved Monument to the Doge Pietro Mocenigo

ONE OF THE MOST CELEBRATED SCULPTURES OF THE ITALIAN RENAISSANCE COMMEMORATING THE GREAT DOGE OF VENICE, PIETRO MOCEENIGO SAVED FROM DAMAGE BY AN AUSTRIAN BOMB.

As I said in my preceding article, Mocenigo is a masterpiece executed by the family Lombardo, who created so many jewels of the Renaissance in Venice, such as the stairway of the Doges Palace, and the Church of St. Maria dei Miracoli in Venice. The several statues represent the virtues of the man and the saints to whom he was specially devoted and it is interesting to consider how different was the feeling and the expression of the times two centuries later—for instance, the magnificent monument to the Doge Valier in the same church, which contains his own statue and the statues of the different members of his family, instead of the allegory of the man to whom the memorial was erected.

#### THINGS NEW UNDER THE SUN

A new racing speedster for motor-cycles is said to stimulate the fans due to irregular power transmission without hampering the efficiency of the motor. For motion picture projectors a French inventor has condensed the light in an incandescent lamp in a small area by coiling a spiral filament closely. Explorers believe that Lake Tanganyika in Africa is the deepest body of fresh water in the world, a record heretofore assigned to Lake Baikal in Asia. By heating naphthalene under pressure in the presence of aluminum chloride German scientists have produced an oil that can be used for illuminating purposes. Chamberlain's Cough Remedy.
