It's Wonderful Says J. A. Greer

San Francisco Man Gains Twenty-two Pounds by Taking Tanlac.

"I have already gained twenty-two pounds since I began taking Tanlac and my old-time strength and energy has come back to me," said J. A. Greer of 417 1/2 Lyon St., San Francisco, recently. Mr. Greer, who is a valued employe of the Universal Electric & Gas company, has been a resident of San Francisco for more than forty years and is highly respected by all who know him.

"I haven't gotten all my lost weight back yet," he continued, "for I had dropped off forty-seven pounds on account of bad health, but I am still picking up and expect soon to tip the beam at my old weight, which is two hundred pounds, or better. My troubles began years ago, with catarrh of the head, and I evidently swallowed the mucus that accumulated in my throat during my sleep at night, as I would get up in the mornings feeling nauseated and would cough and gag for hours, trying to rid myself of the mucus. Finally, about two and a half years ago, my stomach began bothering me, which started by gas forming on my stomach and a burning sensation all the way up to my throat. I soon got to where I could hardly eat anything without bloating terribly and suffering intense pain in the pit of my stomach. I not only had pains after eating, but would become dreadfully nauseated and finally I just had to give up eating and everything else except milk and the very lightest of foods. I was also badly constipated and my back, just over my kidneys, hurt me a great deal and my condition kept getting worse.

"I believe that it was catarrh that caused my stomach trouble and gave me that nauseated feeling all the time, for since I have been taking Tanlac I haven't suffered that way at all. My head and throat are not stopping up like they were and I don't cough and gag now at all. And my very first bottle of Tanlac relieved me of the gas bloating and pains, and in almost a time I was eating just about anything I wanted. It has most every day now—in fact, nothing is ever from my bill of fare—and you may know my food agrees with me."

"I could not be picking up so rapidly in weight. My stomach seems to digest just anything and I am making up for lost time by eating three regular meals a day. I never notice the catarrhal trouble any more, have also been relieved of constipation and every night is a good one for me, as I sleep like a log. Tanlac is wonderful, there's no getting around that fact, and I am only too glad to recommend it to everybody."

Tanlac is sold in La Grande by Silvertorn and Richardson's Drug Store, in Union by L. A. Wright, in North Powder by L. A. Russell and in Elgin by Scott E. Harris.
