# PERRY PEOPLE ENJOY DANCE

THE PERRY OF PERRY NOT THE "AUTHOR" OF POEM

Directors of Grand Round Lumber Company Met at Salt Lake City This Week.

Mr. and Mrs. Lower were visiting in La Grande Saturday. Chas. Buhenkamp of La Grande was in Perry Sunday.

Misses Christine Lineberger and Edna Mason were up from La Grande Saturday.

Mrs. Oscar Berger, of La Grande, has been visiting in Perry for a few days.

Jay Van Buren was up from La Grande Saturday night, enjoying the mask dance.

Several Perrylites are arranging to purchase automobiles as soon as the roads improve.

Walter Pohrman has received a letter from his brother, Roy, saying that he has obtained his discharge and will soon be home.

Fred Robertson is resorting to the aid of crutches since injuring his feet in a fall at the sawmill last week. He was walking a plank, which slipped, and he fell to the cement floor about twelve feet below. An X-ray examination showed that no bones were broken but he will not be able to walk without crutches for several days.

The mask dance Saturday night was a success in both quantity and quality. Many costumes were in evidence, some comical and others were pretty. Miss Esther Johanson won the prize by appearing in a very becoming fairy costume. Gypsies, orientals, clowns, desperadoes, etc., helped to make an interesting gathering.

Mr. and Mrs. James Robertson, who came to Perry at Christmas time to visit their daughter, Mrs. Lawrence Hull, and other relatives, were delayed in returning home on account of the flu conditions at Dallas, Oregon, where they have been living. They started home Friday. The last report shows an enrollment of fifty-seven in the Perry school.

George Robertson had forgotten all about his birthday, but last Friday evening about twenty-five relatives and friends reminded the young man that he had reached his majority. Among those present were Mr. and Mrs. Fred Robertson, Mr. and Mrs. "Jay" Robertson, Mr. and Mrs. Lawrence Hull, Misses Hilda, Ruth, Lola and Dorothy Robertson, Messrs. Millard, Ralph, Frank, George and Carl Robertson, Miss Betty Hull, Master Charles Hull and Miss Florence Kimmell.

Owing to the fact that several parties have asked about the incident, your correspondent wishes to announce that the Mr. Perry who claimed to be the author of a poem recently published in the Observer, is not our Geo. W. Perry. Mr. Perry, of Perry, says Not Guilty!

Owing to recent arrangement of the Grande Round Lumber Co. director's meeting, scheduled for Perry, was transferred to Salt Lake City and Messrs. Earl and Elmer Stoddard left Sunday evening to attend the meeting held on the 28th of this month.

1,500,000 MEN KILLED

France Has Lost Equal Number Wounded.

NEW YORK—France, in four years of conflict, to preserve her own liberty and that of the world, according to Andre Tardie, French high commissioner to the United States, has lost 1,500,000 men killed and almost as many wounded. America owes France a debt of gratitude not only for this great sacrifice, but also for the reported saving of thousands of lives in this country due to the discovery by French peasants of a perfect remedy for stomach and intestinal ailments, the ingredients of which are imported from France by Geo. H. Mayr, a leading Chicago chemist, who sells it in America under the name of Mayr's Wonderful Remedy. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.
