An event in fraternal circles of La Grande that always brings out a large crowd and is of general interest, is the public installation of the officers-elect of Hope chapter No. 13, Eastern Star. That annual function occurred Wednesday evening, with considerably more than one hundred present. The installing officer was Mrs. Emma Kiddle of Island City, past matron of Hope No. 13, and she was assisted by Sister Ida Cherry as marshal, Sister Elmira Curtiss as the installing chaplain and Friederike Schilke as organist. The work was very ably done. Shortly after Florence Bacon had been properly installed, officers of 1919 presented Mrs. Bacon with a beautiful colonial basket of flowers. Little Anna Jane McMillan made the presentation. As worthy matron, Mrs. Bacon introduced the participants in a brief musical program as follows:

Au Tempo Passe, Interpretative dance Lillian Ludwig of Spokane.
Piano solo, "Dance of the Sunbeams" Lois Catherine Nelson.
Yaka Hula dance, in Hawaiian costume Lillian Ludwig
Vocal solo, (a) "Where My Caravan Is Resting" and (b) "Danny Boy" Friederike Schilke.

Enter in the evening Miss Schilke again pleased the audience with her excellent voice by singing "Don't Want Nothin'".
Gypsy dance in costume, Miss Ludwig
Miss Ludwig, by request, presented her first number later in the evening.
 Each number was exceptionally good. Miss Ludwig, who is here visiting her uncle and aunt, Mr. and Mrs. Bode, is a clever little miss, with grace and gift that promise to develop into a bright future in that department of art.

After the installation refreshments were served. During the luncheon Robert Eakin, the new worthy patron, delivered a masterly tribute to Abraham Lincoln, touching on incidents in his life seldom brought to public attention.
 In many respects the ceremony was one of the most delightful of the twenty-seven similar installations that have been held in Hope chapter.

Retiring Worthy Patron C. M. Humphreys in behalf of the chapter presented retiring Worthy Matron Sadie Given with a beautiful past worthy matron's pin. Handsome flowers were presented to the officers-elect, and to the installing officers, Past Grand Worthy Matron Dora B. Schilke presenting them with a few well chosen words.

The G. A. R. and W. R. C. spent the afternoon of Lincoln's birthday at the schools. At the high school they were met by Superintendent Hampton and escorted to the auditorium, where Mrs. Grace McAllister, patriotic instructor for the W. R. C., presented the students with an oleograph of the origin and history of the Stars and Stripes. Superintendent Hampton accepted the gift with a few well chosen words. Comrade Riddle told the students something of the battle of Gettysburg, he having taken part in that famous battle. Comrade Oliver told of the religious life of Abraham Lincoln. Superintendent Hampton then escorted the G. A. R. and W. R. C. to the central building, where Prof. Prince had his pupils assembled. The children sang and their music was very much enjoyed. Mrs. McAllister then presented to the school an oleograph of origin and history of the Stars and Stripes. Jack Bodie, one of the pupils, accepted the gift for the school. Comrade Faulk then gave a short talk on Lincoln. The pupils then repeated the flag salute and sang "America." One of the beautiful features of the program was the Miss Elizabeth Healey and little Miss Margaret Douhan from Miss Kirkwood's room, dressed white with red, white and blue hair ribbons and caresses carrying a basket of red carnations and ferns. The little misses pinned a carnation on each soldier's coat and presented carnations to the W. R. C.

The G. A. R. and W. R. C. then went to the Sacred Heart academy, where they were met by the Sister Superior and Father Driscoll and escorted to the platform of the auditorium, where the following program was rendered:
Music, trio—David Steward, piano, Clark Fitzgerald and Floyd Smith, violins.
Singing by Junior chorus.
Address of Welcome by Rev. Driscoll.

Comrade Oliver again talked to the students of the religious life of Abraham Lincoln. Comrade Riddle told them of the battle of Gettysburg. Comrade Faulk talked of Abraham Lincoln. Mrs. McAllister then presented the students with an oleograph of the origin and history of the Stars and Stripes. Rev. Driscoll in a very gracious manner accepted the gift for the school.

Music, "National Medley." The pupils sang "The Star-Spangled Banner" and repeated the flag salute. A tribute to "Abraham Lincoln" was then read by Mrs. Nelson, president of the W. R. C., which concluded the program.

Next week the other schools of the city, Blaine City and Wallace will be presented with an oleograph of the origin and history of the Stars and Stripes. These oleographs are very instructive, giving the origin of how we came to have Stars and Bars in our flag, material in the first flag.

etc. In its history of the flag it tells of incidents not usually mentioned and not very generally known.

A concert will be given Friday evening, February 21, in the high school auditorium, under the direction of Miss Katherine Rye, musical instructor in the city schools.

It promises to be a very high class entertainment, featuring choruses, solos, vocal, piano and violin, and orchestral numbers. The participants are mostly from the schools of the city, and as it will be the first appearance of the pupils under Miss Rye's direction, it is looked forward to with much interest.

The concert is given under the auspices of the Neighborhood club for the benefit of the scholarship loan fund.

That the Neighborhood club is the sponsor for this benefit assures the worthiness of the cause. Indeed, no work done by the Federation of Women's clubs is of more importance than that of the scholarship loan fund for this has to do with the education of the young women, comprising part of the future citizenship.

It is administered by a carefully chosen committee of the federation, who hold this fund as a sacred trust and handle it most efficiently.

It is maintained by donations from the various clubs constituting the federation and by individual contributions. Each club is asked to set aside one day of the year on which to do something to increase the fund which is being loaned to young women, to assist in their education.

These loans are made without the charge of any interest and with no publicity or guarantees, save the recommendation of the local club and the girl's personal honor.

When we think that nearly 200 young women have already been helped, we realize what a wonderful work is being done.

The greater the fund the more benefited. We hope all will avail themselves of the opportunity to hear a fine concert and help a worthy cause. A small admittance fee of 25 cents for adults and 15 cents for children will be asked.

The Ladies of Marcebes have taken up their work again. At their last meeting the following officers were installed for the year, by Mrs. May G. King: Commander, Mrs. Nora Mackey; Lieut.-Col., Arnes Bedingfield; Past Com., May G. King; Record Keeper, Cora Kerr; Finance auditor, Agnes Prior; Chaplain, Irene McCarthy; Lady at Arms, Mrs. Abe Harris; Sergeant, Grace Brown; Sen., Mabel Jones; Picket, Mrs. Wade; Color Bearers, Mrs. Swart and Mrs. Saridam; Musician, Mrs. Kate McDonald. After the installation the Review presented Mrs. King a set of salad forks, after which lunch was served, and enjoyed by all present.

The Foreign Missionary Society of the M. E. church held their monthly meeting at the home of Mrs. Leffel this week with an attendance of fifty. The lesson was very interesting. Mrs. Cramer, Mrs. Aldrich and Mrs. Wampler, all gave excellent papers on the women of the Orient and what the missionary cause is doing for them. Refresh-

Fashion Favored Fabric of Silk

Silk is spring's favored fabric. It is startling to see the new ways fashion can handle the material for exclusiveness distinct for the new season. On the right, boyish lines are brought out in the coat dress, the top of satin necker and the skirt of founced, satin ruff-a-nuff crepe.

ing of the club to be held since the suspension of these gatherings last October. A large number of the club members were present and the occasion was highly enjoyed. The next meeting of the members will be a week from Wednesday and will be at the home of Mrs. George Kelly, in Fruitdale.

One of the most pleasant events of the week was the treat given to the children of the Auxiliary to the Brotherhood of Railroad Trainmen at the Moose hall Wednesday afternoon. Owing to the ban, the ladies were not able to remember the little ones at Christmas, as it their custom, so it came as a surprise to the kiddies. Besides nuts and candy a lunch was served.

A big time will be had at the home of Mr. and Mrs. J. D. Kinnel tomorrow for Jerry in coming home. He has been discharged from service and will be back with relatives and friends once more.
