SALVAGE WEEK. PLANS MADE

CITY IS DIVIDED INTO DISTRICTS FOR WORK.

Canvass of Homes Will be Made Tomorrow and Trucks Will Go Around Thursday.

Mrs. Frank Rohan, with commendable dispatch, has brought to completion, with the assistance of other zealous Red Cross workers, the plan for the Red Cross salvage week. The reason for the salvage week is that the stocks at the Red Cross store are running a little light and the society finds that it must replenish in order to carry on the work which they have conducted so successfully in the past.

Accordingly La Grande has been divided into districts and each district placed under the charge of a captain, who will see that all the homes in her particular district are visited and supplies offered there duly collected. The ladies who have been appointed captains are Mesdames Warnick, Brownton, Logan, Wright, Woods, Biever, Harrison, Carter, Black, Harry Dennis, Musterson, McCrary, Trull, Day, Last and Mrs. Murray. These captains have the privilege of appointing others to assist them.

The canvass of the whole city will be made tomorrow and on Thursday trucks will call at all the homes in the city to collect the supplies secured by the canvassers. Families are urged to hunt up all useful things which they do not need. The Red Cross will accept anything, from clean carpet rags up to an automobile. Old medicine bottles are accepted, however.

Mrs. T. N. Murphy, at the Red Cross store, is preparing for a large increase in her stock of goods, and it is hoped that she will not be disappointed.

J. G. SNODGRASS COUNTY CHAIRMAN

Joe G. Snodgrass has been appointed county chairman for Union county for the membership drive of the Oregon State Chamber of Commerce. The preliminaries for the state organization were begun early in the winter. One of the principal objects is to have the membership distributed over all parts of the state so that the new chamber of commerce organization will not in any sense be partial to any particular locality. Mr. Snodgrass' part in the affair will be to see that Union county is well represented in the list of membership.

PIONEER OF UNION COUNTY PASSES

FUNERAL OF MRS. MURCHISON WILL BE HELD HERE THURSDAY.

The death at Portland on Sunday morning, February 16th, of Anna Elizabeth Murchison removed from this life one of the early pioneers of Union county. Mrs. Murchison was the mother of Charles O. Murchison of La Grande and other relatives here are a sister, Mrs. Mattie Cook, and a brother, W. B. Watson. The remains will be brought to La Grande arriving tomorrow morning on No. 4, and the funeral will be held Thursday Service will be held at 10:30 at the Hohenkamp chapel, and the body will then be taken to Summerville for interment. Mr. Murchison passed on in 1901, and three or four years later his widow moved to La Grande to reside. She had lived here until about six years ago when her health having become poorly, she moved to Portland to make her home with her relatives there and to get the benefit of the milder climate.

The late Mrs. Murchison was a woman who stood very high in the esteem of her acquaintances and friends, possessing as she did an altogether kindly and lovable disposition. Old friends in the Grande Ronde valley have learned with deep regret of her passing.

LOCAL SINGERS BACK TO WORK

COMMUNITY CHORUS HAD GOOD MEETING LAST NIGHT

Concert is Planned at an Early Date—Place of Meeting Has Been Changed.

There was a good representation of members at the meeting of the Community Chorus last night for their first practice in many weeks. All the parts were nicely balanced and good progress was made with a number of selections. Some work was done on the Hallelujah chorus, the Gloria, and "The Heavens Are Telling."

It is the intention of the chorus to put on a concert in the near future. Dr. Mosaman announced, and he urged each member to be on hand at every practice in order that all might get the greatest benefit from the weekly meetings.

Last night's practice was held in the Presbyterian church, and as it was found to be a much more suitable place for the practices than is the library basement, which had in the past been the regular meeting place, an expression of opinion in regard to the matter of meeting regularly in the church was asked for and the vote in favor of the change was unanimous. Members are asked to note this change.

Next week's practice will be held on Tuesday night, the practice having been postponed one day because of the Monday club rental Monday evening, which takes away a number of the members of the chorus. This change will be for next week only, however.

ROUGHNECKS FAIL TO TAME BEARCATS

DIXON'S OUTFIT PULLED LAST NIGHT.

By a whirlwind finish last night the Bearcats took up the slack of a nine point lead from the Roughnecks and defeated them two out of three games in the last series of games of the Business Men's Volley Ball League. It looked as if the Bearcats were coming out on the slim end of the last game until suddenly they leaped, struck their claws into the Roughnecks and won by 2 points.

The team work of each team was equally bad and both captain Dixon of the Bearcats and Murphy of the Roughnecks are planning on some private coaching and practice.

Don Scott who sprained his ankle severely ten days ago was on the floor last night playing with the Roughnecks and though greatly handicapped played a stellar game.

The next league game will be played Wednesday evening at 5:30 between the Kangaroos and the Roughriders. Both Captain Luper and Earl Stoddard say their men are in fine shape for the contest.
