'HER INSPIRATION' ATTRACTS BIG CROWD

May Allison in Story of Kentucky Mountains and Broadway, seen at the Sherry Theatre.

Quite in accord with the usual enthusiasm which greets this young star on her many appearances at the Sherry theatre was the overture which her latest picture "Her Inspiration," received yesterday, where it was shown to a large and enthusiastic audience.

Besides the great popularity of the player herself the charm and freshness of the play met with the enthusiastic approval of those who saw it.

Transported to the romantic setting of the Kentucky mountains into the mysterious little village of generations of moonshiners—the beholder was forced, by sheer beauty of the settings and the thrill of the plot, to forget for the time being that he was just viewing a play of the screen, and so true and gripping were the adventures that it was easy to live them as the play progressed. It was easy to fall in love with Kate—as Harold did—it was delightful to go fishing with this free spirit of the mountains and it was thrilling and daring to face the moonshiners with the revenue officers and to participate in the "saving" of the young hero from their vengeful anger—hooded and mysterious in the robes of their clan. Then a most unexpected climax occurs, when Kate reveals her identity. It is not the least of the surprises in this forceful play, and both Metro and Miss Allison are to be congratulated in their achievements—the company for providing the plot and the star for the charming and convincing work.

A Fatty Arbuckle comedy fill out a fine bill. Last showing today.

NEW ESSEX CAR HAS ARRIVED

The new Essex car, the car of great activities, appeared on the streets of La Grande yesterday. It was viewed by many and praised by all. The appreciation was evidenced by the fact that one hour after its appearance it was purchased of G. M. Richey, who is one of the oldest automobile owners and dealers in this section of the country. The appearance and performance of this little wonder was expressed by many in substantially the same way. "It has not disappointed us in its appearance and it is really more than we expected."

This little car is the product of years of experience of the Hudson Manufacturing company, which has always offered a great deal to the purchasers of the Hudson cars and there is every reason to believe that the Essex will be a credit to any purchaser.

The Essex is handled by the Galloway-Rees company who are the La Grande agents. They invite all to examine the merits of the car which they take pleasure in introducing to the public.

WORK TO RESUME ON POST ROAD

FIGURES AND COST GIVEN BY HIGHWAY COMMISSION.

State Highway Between Union and Telocaset Will Be as Good as the Best in County.

There appears to be an error somewhere in the report of the State Highway Commission as to the Union-Telocaset Post Road project says the Union Republican and further adds:

On page 139 of the report we find this: "The total estimated cost of this work (the Union Telocaset Section Grading) is $30,000, and $16,642.29 has been expended to date, November 30th."

On page 740 we find under the head of Union-Telocaset Post Road Project this section: "The total estimated cost of this project is $30,000 and $20,575.50 has been expended to November 30."

Evidently there is an error here somewhere and those most familiar with the work are of the opinion that the figures first above given are the correct ones. In addition to this there is a large quantity of supplies on hand that were bought last year and will be available for the work this year.

It is the plan of those in charge of the work to begin operations about April 1st, weather conditions being favorable, or as soon thereafter as the weather will permit.

It is certainly very gratifying to the people of this part of the county to know that this splendid piece of work is to be completed as soon as possible during the present year. The work as far as done certainly makes a good impression upon the traveler, and it will not be long before the Pyle Cannon Road will be as good as the best in the county.

Dreadful Cough Cured.

A severe cold is often followed by Marysville, Mo., writes: "About two a rough cough for which Chamberlain's Cough Remedy has proven especially valuable. Mrs. F. W. Olsen, years ago my little boy Jean caught a severe cold and coughed dreadfully for days. I tried a number of cough medicines but nothing did him any good until I gave him Chamberlain's Cough Remedy. It relieved his cough right away and before he had finishing taking one bottle he was cured. I think it is just fine for children." adv
