MODART CORSETS

Front Laced

Why Look Older Than You Are?

It is astonishing how many women through lack of attention are wearing corsets that give a more mature appearance to the figure than it should have and consequently they appear to be five or ten years older than they are.

It is possible to readily improve that condition if you will come to our corset department and get a trial fitting of the MODART front laced corset. See for yourself the youthful and graceful lines this famous corset will give you.

No expense to you—do not buy unless there is a decided improvement—then you should.

A Coated Tongue? What it Means

A bad breath, coated tongue, bad taste in the mouth, languor and debility, are usually signs that the liver is out of order. PROF. HEMMERTER says: "The liver is an organ of secondary importance only to the heart."

We can manufacture poisons within our own bodies which are as deadly as a snake's venom.

The liver acts as a guard over our well-being, sitting out the cinders and ashes from the general circulation.

A blockade in the intestines piles a heavy burden upon the liver. If the intestines are choked or clogged up, the circulation of the blood becomes poisoned and the system becomes loaded with toxic waste, and we suffer from headache, yellow-coated tongue, bad taste in mouth, nausea, or gas, acid dyspepsia, languor, debility, yellow skin or eyes. At such times one should take a pleasant laxative. Such a one is made of May-apple, leaves of aloe, jalap, put into ready-to-use form by Doctor Pierce's Pleasant Pellets, and sold for 25 cents by all druggists as Dr. Pierce's Pleasant Pellets.

STOCKTON, CALIF.—"For constipation, sick headache, an inactive liver, indigestion and biliousness there is nothing to equal Dr. Pierce's Pleasant Pellets. I have tried other things but like the 'Pellets' best of any."—Mrs. F. C. FILLIS, 229 S. Grant Street.

"TOO GOOD TO BE TRUE," INSISTS U. S. SENATOR

J. Hamilton Lewis Advises All to Go Limit in War Securities

"I can give no sounder advice to the American people than to invest in Liberty Bonds and War Savings Stamps," James Hamilton Lewis, United States Senator from Illinois, says in a statement issued in Washington. Senator Lewis is one of the self-made men of the West, having as a young man practiced law in Seattle. "This is a wonderful proposition," he said, speaking of the opportunity afforded to the workers of the nation to become investors in their Government. "Every man, woman and child in the Republic ought to go his or her limit in buying these Government securities. To the citizens of the Republic is offered the opportunity of not only helping their Government make good its obligations and to maintain the prestige it has gained but at the same time to increase their personal holdings. To me it is too good to be true."

Put off buying the fiver until next fall and sink the money in Victory Bonds.

There are no Liberty Loans ahead of you after the Victory Loan, so mortgage your future for Victory Bonds. Thousands of our soldiers and sailors mortgaged their futures.
